Ernst K semann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like K semann K semann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he she is faced with a beautiful portrayal of Jesus and the Father

2 Peter and Jude Dietrich Gruen, Navigators (Religious organization), 1997 LIFECHANGE Bible studies allow the Bible to speak for itself You ll see for yourself what it says not what someone else thinks it says and develop the skills and desire to dig even deeper into God s Word

2 Peter and Jude Dieudonné Tamfu, 2018-08-31 Shorter books in the Bible like 2 Peter and Jude are often overlooked by believers as they flick through pages of Scripture Furthermore because these two books deal with the unpopular theme of God s judgement they end up being further neglected in the believer s life and understanding of Scripture Yet the evils these authors speak about are still very much present in the church in Africa and are no less deserving of judgment today But these books also bear glorious testimony to God s power to preserve his people and encourage us to stay steadfast and conform to the pattern of holiness in which we have been rooted The landmark Africa Bible Commentary compiled the scholarship of seventy African scholars in one volume Now the Africa Bible Commentary Series provides deeper insights into each biblical book explaining the meaning of Scripture in smaller separate volumes The series emphasizes the relevance of biblical concepts for the life of the local church and the case studies and African illustrations accomplish this in ways that mere explanations cannot In addition each commentary is divided into sermon units for easy use in developing a preaching series on the biblical books and includes discussion questions to assist further study

Biblical Studies on the Internet Roland H. Worth, Jr., 2008-09-18 The new edition includes more than 4 800 resources available at more than 10 000 Internet sites that provide information on a range of biblical study topics including Bible translations in English and other languages audio translations of the Bible in English and other languages commentaries dictionaries and other resource

materials including ones in Greek Hebrew and other ancient languages The author also has adopted a new method of referencing and cataloging the most widely used web pages to facilitate a major expansion of resources without increasing the physical length of the book itself In cases when ten or more resources are listed on a single web page the author has assigned the web page a three digit code The code is used to identify this web page as a major resource within the main text while any needed instructions for use of the site are cross referenced separately in the final chapter In adopting this concise method the author was able to add hundreds of additional or updated web resources a surprising number of which can be downloaded onto a hard drive for immediate and continued use
