*All Our
Worldly
Goods*

All Our Worldly Goods

Simon Patrick

All Our Worldly Goods:

All Our Worldly Goods Irène Némirovsky, 2008 In haunting ways this wonderful compelling novel prefigures *Suite Française* and some of the themes of Némirovsky's great unfinished sequence of novels *All Our Worldly Goods* though is complete and exquisitely so is a perfect novel in its own right First published in France in 1947 after the author's death it is a gripping story of family life and starcrossed lovers of money and greed set against the backdrop of France from 1911 to 1940 between two terrible wars Pierre and Agnès marry for love against the wishes of his parents and the family patriarch the tyrannical industrialist Julien Harelot provoking a family feud which cascades down the generations This is *Balzac* or *The Forsyte Saga* on a smaller more intimate scale the bourgeoisie observed close up with Némirovsky's characteristically sly humour and clear eyed compassion Full of drama and heartbreak telling observation of the devastating effects of two wars on a small town and an industrial family this is Némirovsky at the height of her powers The exodus and flow of refugee humanity through the town in both wars foreshadows *Suite Française* but differently because this is Northern France near the Somme and the town itself is twice razed Taut evocative and beautifully paced the novel points up with heartbreaking detail and clarity how close were those two wars how history repeated itself tragically shockingly It opens in the Edwardian era on a fashionable Normandy beach and ends with a changed world under Nazi occupation *All Our Worldly Goods* Irène Némirovsky, 2010-02-23 From the author of the bestselling *Suite Française* Pierre and Agnès marry for love against the wishes of his parents and the family patriarch the tyrannical industrialist Julien Harelot provoking a family feud which cascades down the generations Even when war is imminent and Pierre is called up the old man is unforgiving Taut evocative and beautifully paced *All Our Worldly Goods* points up with heartbreaking detail and clarity how close were those two wars how history repeated itself tragically shockingly A remarkable novel beautifully translated Her voice compassionate yet always shrewd with its sharp portrait of France at war and during the optimistic and confused Twenties and early Thirties is always distinctive Literary Review

The Némirovsky Question Susan Rubin Suleiman, 2016-11-22 A fascinating look into the life and work of controversial French novelist Irène Némirovsky Irène Némirovsky succeeded in creating a brilliant career as a novelist in the 1930s only to have her life cut short a foreign Jew in France she was deported in 1942 and died in Auschwitz But her two young daughters survived and as adults they brought their mother back to life In 2004 *Suite Française* Némirovsky's posthumous novel became an international best seller some critics however condemned her as a self-hating Jew whose earlier works were rife with anti-Semitic stereotypes Informed by personal interviews with Némirovsky's descendants and others as well as by extensive archival research this wide-ranging intellectual biography situates Némirovsky in the literary and political climate of interwar France and recounts for the first time the postwar lives of her daughters Némirovsky's Jewish works Suleiman argues should be read as explorations of the conflicted identities that shaped the lives of secular Jews in twentieth century Europe and beyond The Woman's World ...
