Carroll,Miss Hazel Manners,Hazel Manners,2003-10-04 This best selling book examines the National Curriculum Physical Education to Key Stage 1 It identifies six basic principles which provide the foundation for the rationale curriculum content the teaching and the planning processes required

*Teaching Across the Early Years 3-7* Hilary Cooper,Chris Sixsmith,2004-11-23 This practical and accessible book explores ways of developing continuity and coherence

in children's learning from three to seven years old. It is based around three case studies in which tutors on Initial Teacher Training courses worked with early years practitioners in three different pre-school settings, each linked to a primary school. The book describes how they successfully managed to plan and teach integrated themes across the age range in the context of the requirements of the Foundation Stage and the National Curriculum. Each case study has a different focus: science, design and technology, the arts, including an ICT strand, the humanities, including a physical education strand, English, and mathematics. Dimensions run through each theme. The book is alive with discussion of children's art, language, drama, and music, captured as field notes, writing, drawing, and as video tape. Each chapter concludes with suggestions of ways in which readers can develop the ideas in their own contexts. This book will be invaluable reading for students on Early Years courses, Early Years practitioners and tutors and mentors in early childhood education.

Teaching Thinking Skills Across the Early Years Belle Wallace, 2013-04-15. This book helps teachers incorporate problem solving and thinking skills into the National Curriculum at the Foundation Phase and Key Stage 1 in line with QCA and DfES recommendations. It presents a range of activities for children aged 4-7 years, all of which have been tried and tested in classrooms. The ideas are cross-referenced with the Learning Objectives of the National Curriculum and are enhanced with samples of children's work. It provides sections on the core subjects of literacy, numeracy, and science, and ideas for project work across the curriculum. This book is aimed at teachers at the Foundation Phase and Key Stage 1, Teacher Trainers, student teachers, teaching assistants, parents, and all those working in early years settings will find it equally useful.
