**Digitalizing the Global Text** Paul Allen Miller, 2020-01-07 A few years ago globalism seemed to be both a known and inexorable phenomenon With the end of the Cold War the opening of the Chinese economy and the ascendancy of digital technology the prospect of a unified flow of goods and services and of people and ideas seemed unstoppable Political theorists such as Francis Fukuyama proclaimed that we had reached the end of history Yes there were pockets of resistance

and reaction but these we were told would be swept away in a relentless tide of free markets and global integration that would bring Hollywood digital finance and fast food to all Religious fundamentalism nationalism and traditional sexual identities would melt away before the forces of modernity and empire A relentless technocratic rationality would sweep all in its wake bringing a neoliberal utopia of free markets free speech and increasing productivity Nonetheless as we have begun to experience the backlash against a global world founded on digital fungibility the perils of appeals to nationalism identity and authenticity have become only too apparent The collapse of Soviet Communism left an ideological vacuum that offered no recognized place from which to oppose global capitalism What is the alternative The anxieties and resentments produced by this new world order among those left behind are often manifested in assertions of xenophobia and particularity This is what it supposedly means to be really American truly Muslim properly Chinese The other is coming to take what is ours and we must defend ourselves Digitalizing the Global Text is a collection of essays by an international group of scholars situated squarely at this nexus of forces Together these writers examine how literature culture and philosophy in the global and digital age both enable the creation of these simultaneously utopian and dystopian worlds and offer a resistance to them A joint publication from the University of South Carolina Press and the National Taiwan University Press Once Upon a Time at the End of the World #13 Jason Aaron,2024-03-20 The Ravagers a group that Mezzy was once involved with who are hellbent on destroying the world are primed to do just that having been interested in Maceo s machines With Maceo determined to stop them from doing the unthinkable will Mezzy be able to find him in time to save not just the one she once loved but what s left of the world *BILLY, IT'S TIME* Michael Buckley,2013-12-03 Both books included BILLY IT S TIME and BILLY IT S TIME SEQUEL BILLY IT S TIME Billy and Travis loaded up their Honda 750 and left their run down trailers to the landlord for back rent due It s no longer feasible to stay in Georgia neither one has worked for over a year They were starving and could not last much longer It was time for change They landed a small Carpenter job to give them enough money to start their journey Along the way in search of work they meet like minded people in dire need such as themselves The year is 2017 and the bottom fell out of the economy crime was the new law of the land no police The criminals use whatever force necessary to survive Under constant attacks they were losing their battle to survive until they form a brotherhood with the Cherokee Nation which results in a combined force with Billy s new group of people and the Cherokee Indians A force the townspeople have never seen The ferocity of their combined group is unmatched BILLY IT S TIME SEQUEL The fear the town s people once had now replaced with desperation and hunger New relationships are built and children are born This book will cause a tear to fall when you read it Word count 30 000 Contains Violence for adults *All You Need is Kill T02* Hiroshi Sakurazaka,Takeshi Obata,Ryosuke Takeuchi,2014-07-16 Les affrontements contre les Mimics continuent de faire rage sur l le de Kotoiushi Au coeur de la bataille deux guerriers hors du commun Keiji Kiriya et Rita Vrataski Maintenant que le soldat japonais sait qu il n est pas le seul prisonnier des boucles il va combattre aux c t s de la
