

(ANNIE, who is 11, runs in with a bucket. She has been up cleaning)

ANNIE: Pipe down, all of ya. Go back to sleep.
(To MOLLY) It's all right, Molly. Annie's here.

MOLLY: It was my Mama, Annie. We was ridin' on the ferryboat. And she was holdin' me up to see all the big ships. And then I couldn't find her no more.

(ANNIE holds a hanky for MOLLY)

ANNIE: Blow. It was only a dream, honey. Now, you gotta go back to sleep. It's after three o'clock.

MOLLY: Annie... read me your note.

ANNIE: Again?

MOLLY: Please?

ANNIE: Sure, Molly.

PEPPER: Here it comes again.

ANNIE: (Takes a crumpled note from her pocket, unfolds it and reads it to MOLLY)
"Please take good care of our little darling. Her name is Annie."

C'mon, Get Happy David Fantle,Tom Johnson,2023-10-10 In their third and final screen teaming Judy Garland and Gene

Kelly starred together in the MGM musical *Summer Stock*. Despite its riveting production history, charismatic lead actors and classic musical moments, the movie has not received the same attention as other musicals from MGM's storied dream factory. In *C'mon Get Happy: The Making of Summer Stock*, authors David Fantle and Tom Johnson present a comprehensive study of this 1950 motion picture from start to finish and after its release. The production coincided at a critical point in the careers of Kelly and an emotionally spent Garland. Kelly, who starred in *An American in Paris* just one year later, was at the peak of his abilities. On the other hand, *Summer Stock* was Garland's final film at MGM, and she gamely completed it despite her own personal struggles. *Summer Stock* includes Kelly's favorite solo dance routine and Garland's signature number, *Get Happy*. The authors discuss in rich detail the contributions of the cast, which included Gloria DeHaven, Eddie Bracken, Phil Silvers, and Marjorie Main; the director, Charles Walters; the producer, Joe Pasternak; the script writers, George Wells and Sy Gomberg; the songwriters, which included Harry Warren and Mack Gordon; and top MGM executives, Louis B. Mayer and Dore Schary. The volume features extensive interviews conducted by the authors with Kelly, Walters, Warren, and others who shared their recollections of making the movie. Deeply researched, *C'mon Get Happy* reveals the studio system at work during Hollywood's Golden Era. Additionally, the authors have written a special section called *Taking Stock* that buttonholes numerous contemporary dancers, singers, choreographers, musicians, and even Garland impersonators for their take on *Summer Stock*, its stars, and any enduring legacy they think the film might have. Artists from Mikhail Baryshnikov, Ben Vereen, and Tommy Tune to Garland's and Kelly's daughters, Lorna Luft and Kerry Kelly Novick, respectively, offer their unique perspective on the film and its stars.

International Guide to Children's Theatre and Educational Theatre Lowell Swartzell, 1990 Swartzell has constructed a seminal reference work that chronicles the history, current state of artistic achievement, and foremost future needs of children's theater in 44 different countries, an excellent first resource for diverse forms of research and quite accessible to both undergraduate and graduate students. Choice. After a visit to the Children's Educational Theatre in New York City, the first American theatre intended specifically for children and adolescents, Mark Twain declared that children's theatre is one of the very, very great inventions of the twentieth century. The Guide is designed as a reference book surveying theatre for young people in forty-five countries, from Australia to Zimbabwe, as well as examining some of the provocative paradoxes, questions, and concerns that plague and inspire children's theatre. Arranged in alphabetical order by country, the Guide documents the history of the children's theatre movement in each country, defines its current state of artistic achievement, and projects its foremost needs for the future. For each chapter, the Guide includes profiles of representative companies, important productions, and influential dramatists, directors, designers, performers, and pedagogues are also mentioned.

The Cute and the Cool Gary Cross, 2004-04-01 The twentieth century was, by any reckoning, the age of the child in America. Today we pay homage at the altar of childhood, heaping endless goods on the young, reveling in memories of a more innocent time and finding solace in the softly backlit memories of our earliest years. We are the proclamation goes just

big kids at heart And accordingly we delight in prolonging and inflating the childhood experiences of our offspring In images of the naughty but nice Buster Brown and the coquettish but sweet Shirley Temple Americans at mid century offered up a fantastic world of treats toys and stories creating a new image of the child as cute Holidays such as Christmas and Halloween became blockbuster affairs vehicles to fuel the bedazzled and wondrous innocence of the adorable child All this Gary Cross illustrates reflected the preoccupations of a more gentle and affluent culture but it also served to liberate adults from their rational and often tedious worlds of work and responsibility But trouble soon entered paradise The cute turned into cool as children following their parental example embraced the gift of fantasy and unrestrained desire to rebel against the saccharine excesses of wondrous innocence in deliberate pursuit of the anti cute Movies comic books and video games beckoned to children with the allures of an often violent sexualized and increasingly harsh worldview Unwitting and resistant accomplices to this commercial transformation of childhood adults sought over and over again in repeated and predictable cycles to rein in these threats in a largely futile jeremiad to preserve the old order Thus the cute child deliberately manufactured and cultivated has ironically fostered a profoundly troubled ambivalence toward youth and child rearing today Expertly weaving his way through the cultural artifacts commercial currents and parenting anxieties of the previous century Gary Cross offers a vibrant and entirely fresh portrait of the forces that have defined American childhood *Artstarts* Martha Brady,Patsy T.
