The Digital NBA Steven Secular, 2023-06-20 The National Basketball Association reaches a global audience via a multiplatform strategy that leverages its uncanny ability to connect fans to all things NBA Steven Secular brings readers inside the league's global operations and traces the history of the NBA's approach to sports media from its 1980s embrace of cable through the streaming revolution of the twenty-first century As fans around the world stream games and other league content NBA teams incorporate foreign languages and cultures into broadcasts to boost their product's appeal to audiences in Brazil China and beyond Secular's analysis reveals how the NBA continues to transform itself into a wildly successful media producer and distributor more akin to a streaming studio than the sports leagues of old even as its media partners and sponsors erase any notion of sports as a civic good A timely look at a dynamic media landscape The Digital NBA shows how the games we love became content first and sport a distant second **2025 0000 100 00 000 000(G-TELP) 00 00**

the inordinate attention his autistic brother constantly steals from him and his twenty something sister has chosen to move away from it all to Manhattan The burden on the family gets exponentially worse when Captain Scott returns home wounded The family tries to cope as best they can but when his father succumbs to PTSD Wes must somehow make sense of all that has happened which is difficult for a teenager under normal conditions let alone one on the autism spectrum who s suddenly lost the only family member who ever really bothered to know him The Scotts seem on the verge of unraveling and Wes finds himself in a bewildering land of family turmoil How will Wes come to understand this tragedy And how will the family ever come to fill the void left by a father who understood what the rest have yet to discover that Wes is an extraordinary young man indeed And that all of us no matter how much the world seems to scorn our existence or has simply forgotten our pain have something extraordinary to offer and make that world a better place Extraordinary is not just the title of this book it s a description of the beauty within the pages **DBase IV Versions 1.5/2.0 for Business** Roy Ageloff,Diane Zak,1994-08
