All Good Things:

All Good Things... Michael Jan Friedman, 2000-09-22 Seven years ago Captain Jean Luc Picard first faced the judgment of the Q Continuum a race of beings with God like powers over time and space who presumed to gauge humanity's fitness to exist in the galaxy Seven years ago they suspended judgment but now a decision has been reached The human race will be eliminated not only in the present but throughout time Humanity will never have existed at all The only chance to save mankind lies with Captain Picard An old enemy has granted him the power to revisit his life as it was seven years before and to experience his life twenty five years in the future With the help of friendships that span time and space Picard struggles to defeat the plans of the Q Continuum But even as he fights to save the human race from total extinction he has been set up to be the unwitting agent of mankind's destruction In an effort to save humanity Picard must sacrifice himself and all those he commands and if their sacrifice fails all mankind is doomed *All Good Things* Emma Newman, 2020-04-30 The long awaited conclusion to the series that mixes modern urban fantasy with Regency Victorian society from an extraordinary new voice in SF F Paul Cornell Hugo Award winning author As the Iris family consolidates their hold on society within the secret world of the Nether William Iris finds himself more powerful and yet more vulnerable than ever His wife Cathy has left him a fact that will destroy him if it becomes public To keep his position and survive he needs to get her back whatever the cost Cathy has finally escaped the Nether but hates that she must rely so heavily on Sam's protection When the strange sorceress Beatrice offers her a chance to earn true freedom by joining the quest Sam has been bound to Cathy agrees But can she and Sam navigate Beatrice's plans for the future without becoming two more of her victims And Beatrice a self taught and powerful killer is not without her enemies Rupert the last sorcerer of Albion is obsessed with finding and destroying her He orders Max and his gargoyle to help him pulling them away from protecting innocents As the Arbiter and his partner face the ugly side of their responsibilities to Rupert they begin to question where their loyalties should truly lie Amidst death deceit and the fight for freedom friendships are tested families are destroyed and heroes are forged as the battle to control the Split Worlds rages to its climatic conclusion Praise for the Split Worlds series JK Rowling meets Georgette Heyer The Guardian Learning to be a young lady has never seemed so dangerous Mary Robinette Kowal Hugo and Nebula Award winning author
