Becoming a One Person Band Ronald J. Plachno,2014-05-11 This book *Becoming a One Person Band* gives advice and tips on how to help a person to go from being a keyboard player or perhaps other musician to becoming a one person band of 4 or even as many as 16 instruments This approach does require a home recording studio and some information is provided in this book on possible approaches However there are of course many ways to do a home recording studio and so this book

concentrates more on technique and how perhaps to determine what notes or chords to play What do you need A recording studio of course But also a desire to become your own one person band as a hobby or even more than a hobby And while a musician who only plays guitar or non keyboards may go a distance into becoming your own band keyboard background would be even more helpful What kind of keyboard background would a person need If a person has experience with piano organ or accordion or simply a modern day keyboard or keyboard controller and has one already that would be a great start Why the emphasis on keyboards Modern day midi systems or DAW Digital Audio Workstations often take their inputs from keyboards and with that can create many sounds and also sound effects Yes much can be done with guitars and perhaps just writing notes in for other parts but keyboard experience is a great help What talent is needed It would be hard for me to define that I never felt that I was anything special and yet I have accomplished a number of one person band songs with as many as 15 parts and also enjoyed doing it Of course if you have something of a music and band background and also some music theory background it is of course a big help I do wish you the very best in your music endeavor and hope that this book is at least a little helpful to you and your dreams or hobby Ron Plachno author *Pass Your Own Audition* Tali

Freed,2015-12-11 *Pass Your Own Audition* goes out to singers of all experience levels and to all readers who have wanted to sing or follow any passion but have found prioritizing their creative passion or even their own health to be difficult It also goes out to performers who have struggled with body image issues on stage or off Singers instrumentalists and any reader pursuing a passion may find this book with its simple three part format of daily reflection to be a unique powerful resource for propelling their actions forward with thought to self care creativity self expression and self confidence *Pass Your Own Audition* seeks to guide the reader in an inner exploration of breaking through mental barriers and gaining happiness motivation self understanding appreciation connectedness creative expression focus and more *Pass Your Own Audition* is designed to provide the reader with tools that each reader can use for the rest of his or her creative careers and lives
