the cold winds blow and the King of the West where the gentle zephyrs breathe upon the flowers and coax them to open their petals while the rest of the world is still sleeping And there was the great Dragon who lived on top of a high mountain in the centre of the universe He could see everything that happened everywhere by means of his magic spectacles which enabled him to look all ways at once and to see through solid substances but he could only see not hear for he was as deaf as a post Now the King of the North had a beautiful daughter called Crystal Her eyes were bright like the stars her hair was black like the sky at night and her skin was as white as the snow which covered the ground outside the palace where she lived which was built entirely of crystals clear as the clearest glass And the King of the South had a son who had been named Sunshine on account of his brightness and warmth of heart The King of the East had a son who because he was always up early and was very industrious had been given the name of Sunrise The King of the West also had a son perhaps the handsomest of the three and always magnificently dressed but as it took him all day to make his toilette so that he was never seen before evening he received the name of Sunset All three Princes were in love with the Princess Crystal each hoping to win her for his bride When they had the chance they would go and peep at her as she wandered up and down in her glass palace But she liked Prince Sunshine best because he stayed longer than the others and was always such excellent company Prince Sunrise was too busy to be able to spare her more than half an hour or so and Prince Sunset never came until she was getting too tired and sleepy to care to see him It was of no use however for her to hope that Sunshine would be her husband just because she happened to prefer him to the others Her father the stern blustering old King with a beard made of icicles so long that it reached to his waist and kept his heart cold declared that he had no patience for such nonsense as likes and dislikes and one day he announced far and wide in a voice that was heard by the other three Kings and which made the earth shake so that the great green Dragon immediately looked through his spectacles to see what was happening He who would win my daughter must first bring me the casket containing the Hidden Treasure which is concealed no man knows where Of course the Dragon was none the wiser for looking through his spectacles because the words loud though they were could not be heard by his deaf ears But the other Kings listened diligently as did the young Princes And poor Princess Crystal trembled in her beautiful palace lest Sunrise who was always up so early should find the treasure before Sunshine had a chance she was not much afraid of the indolent Sunset except that it might occur to him to look in some spot forgotten by his rivals Very early indeed on the following morning did Prince Sunrise set to work he glided along the surface of the earth keeping close to the ground in his anxiety not to miss a single square inch He knew he was not first in the field for the Northern King's proclamation had been made towards evening on the previous day and Prince Sunset had bestirred himself for once and had lingered about rather later than usual being desirous of finding the treasure and winning the charming Princess

The diamond fairy book, comprising stories by I. Bellerby, and others Diamond fairy book, 1897 [The Diamond Fairy Book](#) Frank C. Papé, 2024-11-24 Now the King Of the North had a beautiful daughter called Crystal Her eyes were bright like

the stars her hair was black like the sky at night and her skin was as white as the snow which covered the ground outside the palace where she lived which was built entirely Of crystals clear as the clearest glass And the King Of the South had a son who had been named Sunshine on account of his brightness and warmth of heart The King of the East had a son who because he was always up early and was very industrious had been given the name Of Sunrise The King Of the West also had a son perhaps the handsomest Of the three and always magnificently dressed but as it took him all day to make his toilette so that he was never seen before evening he received the name of Sunset All the fairies from many countries are uniform with this volume **The Diamond Fairy Book** FRANK PAPÉ,2013-01-13 The Diamond Fairy Book is one in a series of books written by various authors which retells hundreds of fairy tales and legends from around the world Each story was carefully selected in order to ensure the child s happiness and creativity in mind With each story written it opens up a child s mind to bigger and better things and the world opens to them and helps them become a better learner and writer Parents too can enjoy these series as they can read the stories to their children when they go to sleep This will create a bond which will never be broken A bond the child will carry with them through their life and give and create with their own children This is a must own book For anyone who wants to encourage reading for their children or to help read to their children **The Diamond Fairy Book** Various, **The Girl's Own Paper** ,1883
