Andy Stanley Book On Grace:

The Grace of God Andy Stanley, 2011-09-12 In order to be a people of grace we have to understand the story of grace and how grace transforms us Grace is more story than doctrine It s more than forgiveness or compassion It s undeserved by definition essential to salvation And it turns out that God s grace though it s the only thing we stand on and the only thing we should stand for is the very thing that we consistently distort and hesitate to extend to others Why is that Even now as we think about the simple and unconditional nature of grace our instincts cling to complexity and conditions We wonder What does grace have to do with justice or judgement How does grace overcome repeated misbehavior or bad habits To understand the story of grace what it means and how it s misunderstood why we need it and how it was given to us we have to begin at the beginning Follow Andy Stanley as he traces the story of grace through the Old and New Testaments of the Bible peering into the lives of biblical characters to discover how each story reveals grace to be God s preeminent characteristic from the very beginning See the narrative of Scripture in light of this grace as Pastor Andy reveals Why creation itself was an act of grace Why grace is inviting to the unrighteous and threatening to the self righteous Why grace is so predictably unpredictable Why no effort of ours can add to God s grace Combining biblical study personal story and an urgent message to today s Christians and churches *The Grace of God* is Andy Stanley s clearest most powerful message on the thing that defines our relationship with our God and with one another

Claiming Christ Robert L. Millet, Gerald Robert McDermott, 2007 An evangelical and a Mormon discuss their views about Jesus offering an honest appraisal of the two views and establishing grounds for continued conversation American Book Publishing Record ,2006 The Crucifixion Under A Microscope From The Eyes Of A Layman - What Really Happened At The Crucifixion? Don Polson, 2024-08-26 This is a book about the crucifixion and its hidden message that the overall church is unaware of I never wanted it to be about a person or even the ark of the covenant I wanted the church and the theologians to see the possibility of a secret message or mystery that allowed the New Covenant and also allowed us entrance into the Kingdom of God Just to look or analyze and consider the evidence which I have presented in this book that s all When I pieced the evidence of this story together how God orchestrated every detail it deeped my relationship with Him It is my goal and the primary reason for writing this book is when a non christain reads it they will come to Christ I am especially thinking of the Jewish people who have rejected the God of Israel Isaac and Jacob This is the part I don t understand This hidden knowledge would be a deal maker for especially the Jewish people But because the experts don t even consider the evidence it has become a deal breaker When you see the evidence and analysis of Christ s blood I am hoping the reader will fall into the believers column that Christ s blood at Calvary was a ransom of the whole human race

Cfaith Explorers Gabriel Folorunso, 2021-03-09 The age long misconceived idea that Christianity is just one of the other religions has unfortunately done more harm than good in preventing millions and millions of people all over the world from embracing the truth about Jesus The Cfaith Explorers which is a short for the Christian faith explorers is written out of a genuine desire for people who would like to explore what the Christian faith is all about It provides in a most practical chronological and dramatic way how

God's revelation and dealings with humanity culminated in the birth of the Messiah Jesus Christ the Saviour of the whole world. It is the truth about Jesus Christ that brings people to the life-changing relationship with the living God, not religion.

Read Matthew to Live Your Life, Read John to Save Your Soul Douglas Kindred, 2014-05-19. I recommend Dr. Kindred's book to anyone who has the desire to gain a fuller, more tangible understanding of the words of Jesus Christ. The author's very personal account of his own experiences may give others a point of reference in their own lives. Lou Angora, Executive Producer, Morning Light Films. As I was going through a terrible trial in my life, I remembered something that my mom had said to me when I was a teenager. She said, "Read Matthew to live your life, read John to save your soul." That turned out to be the best advice I ever got. I started talking to other people sharing this with them, and I was amazed to find that so few knew what Jesus said. This led me to write this book to tell everyone what Christ said about how to live your life and how to save your soul. He gave us a how-to guide. His message is clear and concise and doesn't need a lot of interpretation. He says what He means, and He means what He says. It is pure truth.

People of the Book T. Michael W. Halcomb, Timothy C. McNinch, 2012-05-03. We live in an era when the Bible appears to be less and less relevant to mainstream cultures. Those who do care about the Scriptures tend to derive their interpretations secondhand from the preacher's pulpit or from generalized study guides written by complete strangers. These approaches overlook the communal and conversational nature of the Bible itself. If we hope to recover the transformative power of these ancient texts and invite our world to reconsider their significance, we will need to engage whole communities together in the bottom-up task of interpretation. People of the Book was written to offer an organic, holistic approach to communal interpretation, an approach that can work for your community and appeal to your wider culture. Halcomb and McNinch envision the Bible as a conversation we are privileged to enter, listening, questioning, wrestling, reasoning, and responding together as authentic people of the Book. Repentance Osilama Osime, 2022-04-26. This book reflects on man's unworthiness before God and why we must repent of our sins to enjoy salvation. The author explains why repentance is such a significant pillar of salvation, the basis for the coming of Christ, and the theme of His message. He observes, "The word forgive is used twice in the Lord's

Prayer but the process implied by forgive us differs from as we forgive The two sides of the narrow gate of salvation are believing in the Son of God and repentance from sin Seeking God's forgiveness through repenting of our sins is a crucial ingredient to salvation and reconciliation with God in the hereafter and afterlife With the Gospel of Christ there is the offer of an opportunity to repent and obtain forgiveness for all violations When He sent His disciples out in pairs they went and preached repentance When He was ready to ascend He restated the same instructions Join the author as he examines repentance as a clear manifestation of God's grace
