Anne Frank: Diary of a Young Girl

June 14, 1942 - February 27, 1943

1. Who was Anne Frank?

Anne Frank was a young girl, born June 12, 1929 to an upper-middle class Jewish family. Her father, Otto Frank, saw the danger to the Jews long before Hitler had his "final solution" for all Jews in place. When Anne was four years old, in 1933, the family moved to Holland where her father had business connections.

2. Identify and give a brief description of:

Margot Frank - Margot was Anne's beautiful, intelligent sister who was three years older than Anne. She is often held up as a model of what Anne should try to become.

Otto Frank - Mr. Frank is Anne's father. He is several years older than Anne's mother. He is intelligent and well-educated. Mr. Frank usually plays the role of peacemaker in the frequent bickering that take place in their confined quarters.

Mrs. Frank - "Mummy" is eleven years younger than Mr. Frank. She has been used to having servants in the house to do the work. Consequently, when the responsibility for cleaning and cooking falls mainly upon her shoulders, she is often incompetent and rather disorganized.

3. The Franks' ability to prepare the "hidden house" and survive living there for two years would have been impossible were it not for a group of protectors. Identify Mr. Kraler, Mr. Koophuis, Meip, and Elli.

Mr. Kraler - When Jews were no longer allowed to own a business, he assumed management of those which Mr. Frank and Mr. Van Daan had run. He helped them prepare the "Secret Annex" and later provided material supplies as well as psychological support. All of this involved extreme risk to himself, even though he was not a Jew.

Mr. Koophuis - He, along with Mr. Kraler, takes over the running of the business. Like Kraler, he too is a Dutch Gentile. He is especially helpful in arranging the logistics of obtaining food.

Meip - Meip is a young woman who works in the office of the business. She too helps to secure food and is particularly good at raising the spirits of those in the annex. Her husband's name is Henk.

Elli - Elli is another young office worker who helps with collecting food. Like Meip, she also helps keep spirits up.

4. When does Anne's diary begin? Why is this day special?

It begins on June 14, 1942, Anne's birthday.
