Union one should reasonably conclude that a state of the world address is in order After all doesn't SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That's to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God's Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God's Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God's Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare *Everything That Remains* Joshua Fields Millburn, Ryan Nicodemus, 2014-01-05 What if everything you ever wanted isn't what you actually want Twenty something suit clad and upwardly mobile Joshua Fields Millburn thought he had everything anyone could ever want Until he didn't anymore Blindsided by the loss of his mother and his marriage in the same month Millburn started questioning every aspect of the life he had built for himself Then he accidentally discovered a lifestyle known as minimalism and everything started to change That was four years ago Since Millburn now 32 has embraced simplicity In the pursuit of looking for something more substantial than compulsory consumption and the broken American Dream he jettisoned most of his material possessions paid off loads of crippling debt and walked away from his six figure career So when everything was gone what was left Not a how to book but a why to book *Everything That Remains* is the touching surprising story of what happened when one young man decided to let go of everything and begin living more deliberately Heartrending uplifting and deeply personal this engrossing memoir is peppered with insightful and often hilarious interruptions by Ryan Nicodemus Millburn's best friend of twenty years [How to Build a Sales Funnel That Works: Awareness to Purchase Flow](#) Ikechukwu Kelvin Maduemezia , Every successful business has one thing in common a sales system that turns strangers into loyal customers That system is the sales funnel Yet many entrepreneurs and marketers struggle to design a funnel that actually converts losing prospects at each stage and leaving money on the table This book demystifies the sales funnel and shows you how to build one that works From the first spark of awareness to the final purchase and beyond you'll learn how to guide your audience through each step with clarity and confidence Instead of chasing customers you'll create a flow that attracts nurtures and converts them

naturally Inside you ll discover The psychology behind why people move or drop out at each stage of the funnel How to design content and offers that match awareness interest decision and action Proven strategies to capture leads build trust and close sales The role of automation storytelling and follow up in keeping prospects engaged A step by step framework to optimize your funnel for consistent growth Whether you re selling products services or ideas this book will equip you with the tools to create a seamless customer journey A well built funnel doesn t just drive sales it builds relationships that last 12 *Days of Christmas* Paul Michael Toth,2022-08-01 Twelve days before Christmas the angel Gabriel is sent to a family the Hopewells who live at 1222 Baker Street And after he touches the lights of their Christmas tree this family of six Paul Julia Alexander Brandon Catherine and little Dasha experience a season that none of them could have ever imagined In the following eleven days prior to Christmas they and their friends Carter and Carrie Covington Samantha and Vic Welhausen David Livingston Aubrey Murphy and Jack Winter are amazed and entertained as the ornaments on the Hopewell tree become animated What first begins as entertainment eventually educates them to the fact they have been called to a heavenly mission a mission in which Lucifer will try his very best to thwart Come along with the Hopewell family and their friends as they learn what it means to encounter the forces of hell and watch how the heaven s army protects this tiny group Though Satan tries his best to keep this group cloaked in darkness the light of understanding slowly ascends on Paul his family and his friends All the darkness they experience being trapped in a burning house buried in the snow along a lonely highway immersed in a volcanic cloud of ash and more will only serve as background to the light that is slowly dawning Light will win out While 12 Days of Christmas Light Ascending is fiction it forces you to think about the reality that you live in today
