Remotely Innovative Tom Coughlan, David Fogarty, 2025-07-23 In the near term the future will not belong to AI but it will belong to the people who understand AI and how to strategically leverage its advantages This book gives managers a new perspective on innovation and AI allowing them to seize the future As the pace of change has increased organizations have needed to invest in innovation initiatives to survive and thrive Up until now these models have focused on co location which is no longer an option in some cases and may not be necessary for all leaving organizations scrambling for options Following up on their work in Managing at a Distance Tom Coughlan and David Fogarty have developed this guide to help managers navigate the challenges of innovation in a world of hybrid and remote workers amidst the ever increasing use of AI They tackle questions such as the difference between creativity and innovation and how proximity or lack of it impacts teams and present strategic structural and measurement solutions to maximize the role of AI in successful innovation while not minimizing the people who make up organizations Platform agnostic this book will appeal to organizational leaders and managers who work with knowledge workers of any type as well as students and instructors in graduate business courses executive education and corporate training programs

Rural and Regional Futures Anthony Hogan, Michelle Young, 2014-09-19 Agriculture mining and related rural industries have been central to the development of Australia s economy This book details the role that the Australian Government has played in the making of rural and regional Australia particularly since World War II The book reviews these policies and evaluates them with regards the commitments undertaken by the Government to contribute towards vibrant rural communities Policy areas addressed include agriculture water education welfare and population natural resource management resource extraction Indigenous and affairs localism rural research and regional innovation Youth Affairs and the devolution of regional governance Overall two distinct policy strategies can be observed one wherein the government saw its role as part of the entrepreneurial state and a sector wherein government has increasingly taken itself out of industry development leaving this role to the market Having considered these strategies and their impacts the book concludes that policy over the past 40 years has not in fact contributed to a more vibrant prosperous rural and regional Australia Rural and Regional Futures concludes with several chapters looking to the future One chapter explores what the role of the state can be within a social market economy while the final chapter gives consideration to the initial steps rural communities will need to take to begin the process of revitalisation While these materials present as a case study of developments in Australia the policy shift from the Government as entrepreneur to a focus on markets is an international one and as such the insights offered by this book will have wide appeal
