

King Tantalus had finally created a feast, one he felt that could rival the gods or even surpass them. The King was eager to invite the Gods to his kingdom, hoping he may finally be vindicated in his efforts.

The King had fixed pies, soups, pudding, and roasted meat. The finest delicacies in his kingdom, truly fit for the gods.

The Gods sat down prepared to indulge in all of the delights the king had created for them. But the gods knew everything, before they tasted the meal, they could smell it, and they knew what the king had made the meal from.

It was only after the Goddess Demeter took a couple of bites of the pudding, that the rest of the Gods intervened.

world Abraham's Bind Micheal J. Caduto, 2011-03-02 Ancient stories from the Bible offer lessons for today's world. Little has changed over the millennia. Our existence remains suspended between the realm of the eternal and the elemental plane of the material world. This tension pulls at our hearts and minds as we attempt to find our true selves in relationship to each other and to God. This is the crucible of our lives, the true test of our powers of strength and conviction in the face of adversity, our wrestling with the range of human emotion from jealousy and rage to kindness, sacrifice and generosity toward the ones we love. From the Introduction With insight, thoughtfulness and wit, these provocative and entertaining reimaginings of stories from the Bible highlight the ways God can work for and through us even today. Barren and despairing Sarah becomes pregnant, learning that nothing is impossible. Jacob the trickster is in turn tricked into marrying the wrong wife, learning that what goes around comes around. Joseph is sold into slavery by his brothers, only to rise to wield power of life and death over them, learning that patience and integrity will win out in the end. Through multifaceted characters, original stories and vivid natural imagery, Caduto brings this ancient world to life. He immerses you in a richly textured experience of another time and place. Within these pages, you will come to see these familiar tales through new eyes. Laugh Your Way to Grace Rev. Susan Sparks, 2010-05-01 Laughter, the GPS System for the Soul. Laughter was honored by the ancients as a spiritual healing tool and celebrated by the world's great religions. So why aren't we laughing along the spiritual path today? What would happen if we did? In this personal and funny look at humor as a spiritual practice, Rev. Susan Sparks, an ex-lawyer turned comedian and Baptist minister, presents a convincing case that the power of humor radiates far beyond punch lines. Laughter can help you remove the fearful mask of a God who doesn't laugh. Debunk the myths that you don't deserve joy. Find perspective when faced with adversity. Exercise forgiveness for yourself and others. Reclaim play as a spiritual practice. Heal emotionally, physically and spiritually. Keep your faith when God is silent. Live with elegance, beauty and generosity of spirit. Whatever your faith tradition or if you have none at all, join this veteran of the punch line and the pulpit in reclaiming the forgotten humor legacy found in thousands of years of human spiritual history. God the What? Carolyn Jane Bohler, 2011-03-31 Challenge our common images of God by blowing the lid off conventional God descriptors. We do not have to let go of one sense of God to take up another. Neither do we need to go about challenging old metaphors. What is crucial is to find a metaphor or two or six that creatively point toward what we believe. From Chapter 1 Let Carolyn Jane Bohler inspire you to consider a wide range of images of God in order to refine how you imagine God to have and use power and how God wills and makes divine will happen or not. By tapping into your God-given ability to re-imagine God, you will have a better understanding of your own beliefs and how you, God and the world relate to each other. Wonderfully fresh and down to earth, Bohler uses playful images, moving stories and solid scholarship to empower you to break free of old habits and assumptions, whatever your faith tradition. She encourages you to explore new names for God that are not only more consistent with what you believe but will also deepen and expand your experience of God. Think about God the Choreographer of Chaos, God the Nursing Mother, God
