Student Study Guide Liebaert, 2002-08 by Richard Liebaert. Linn Benton Community College. Students can master key concepts and earn a better grade with the thought-provoking exercises found in this study guide. A wide range of questions and activities help students test their understanding of biology. The Student Study Guide also includes references to student media activities on the Campbell Biology CD-ROM and Web Site.

Teaching Anatomy Lap Ki Chan, Wojciech Pawlina, 2015-01-29. Teaching Anatomy: A Practical Guide is the first book designed to provide highly practical advice to both novice and experienced gross anatomy teachers. The volume provides a theoretical foundation of adult learning and basic anatomy education and includes chapters focusing on specific issues that teachers commonly encounter in the diverse and challenging scenarios in which they teach. The book is designed to allow teachers to adopt a student-centered approach and to be able to give their students an effective and efficient overall learning experience. Teachers of gross anatomy and other basic sciences in undergraduate healthcare programs will find in this unique volume invaluable information presented in a problem-oriented, succinct, and user-friendly format. Developed by renowned expert authors, the chapters are written concisely and in simple language, and a wealth of text boxes are provided to bring out key points to stimulate reflection on the reader's own situation and to provide additional practical tips. Educational theories are selectively included to explain the theoretical

foundation underlying practical suggestions so that teachers can appropriately modify the strategies described in the book to fit their own educational environments Comprehensive and a significant contribution to the literature Teaching Anatomy A Practical Guide is an indispensable resource for all instructors in gross anatomy *The National Guide to Educational Credit for Training Programs* American Council on Education, 2005 Highlights over 6 000 educational programs offered by business labor unions schools training suppliers professional and voluntary associations and government agencies
