Night Owls Only: Contemporary Urban Romance KELAKKIYAR SIDDHAR, Emma never planned to become the last one left in the office each night but staying late became her quiet refuge. It was in those hours when the building was nearly empty that she began to notice things she couldn't explain: files moved when no one touched them, a coffee mug sliding across her desk, the faint sound of laughter from the copier room long after her coworkers had gone home. The sixth floor was never truly silent. Something lingered there. And soon she wasn't alone. A presence began to make itself known. At first it was only small gestures, then words clattering from an old typewriter no one had used in decades. Emma should have been terrified, yet instead she felt herself drawn closer. The ghostly colleague who haunted the office wasn't cruel or cold; he was attentive, steady, and strangely protective. When shadows crept in from the vents and glass doors rattled with unseen hands, his voice, silent yet certain, kept her grounded. As the line between the living and the dead blurred, Emma faced a choice: cling to the world that was slipping away from her, or step into a connection that defied everything she thought she understood about love, safety, and belonging.

Cries In The Night, A Denver After Dark Romantic Suspense Kathy Clark, 2013-09-24 Who saves a hero? Julie Lawrence is a Victim's Advocate for the Denver PD. Her job is to respond to domestic violence incidents, fires, car accidents, and other tragic events where people need help dealing with their darkest moments. She has had her own share of tragedies in the past, which gives her empathy and a unique insight into victims and what they need to heal and move on with their lives. But she is better at giving advice than taking it and has closed herself off from sharing her life with anyone or anything except a stray tiger-striped gray cat. Rusty Wilson is a firefighter with a reputation for working hard and playing harder. He meets Julie while he is trying to save a burning house and she is protecting a battered wife and an unborn child. He is attracted to her but not ready to settle down. To his surprise, she resists even his most platonic attempts at developing a relationship. One day, a typical call turns into a hostage situation, and Julie rushes to the scene, partly in her role of Victim's Advocate and partly because Rusty is involved. She finally accepts his offer of friendship, and as they get to know each other better, they realize they have a lot in common. When a stalker starts playing a cat and mouse game with Julie, she and Rusty work together, trying to figure out which of her past domestic violence cases has created a psycho who wants revenge. In her line of work, there are a lot of people who want her dead. Julie has no idea who is trying to kill her. The warnings had started out as just creepy but gradually turn into genuine threats on her life. Rusty provides the emotional and moral support she hadn't realized she needed until the danger increases. Their love affair starts in the heat of passion and ends when he finds out her secrets. Someone is watching and waiting. Julie has dedicated herself to saving other people. Who's going to save her? **CRIES IN THE NIGHT** is Book 2 in the **Denver After Dark** series. **AFTER MIDNIGHT** is Book 1, has won several prestigious awards, including being named Best Indie Suspense Novel of 2013 and third place in the Readers Favorite Suspense Novel Award of 2013.
