Using Open Data to Detect Organized Crime Threats Henrik Legind Larsen, José María Blanco, Raquel Pastor Pastor, Ronald R. Yager, 2017-04-07 This work provides an innovative look at the use of open data for extracting information to detect and prevent crime and also explores the link between terrorism and organized crime In counter terrorism and other forms of crime prevention foresight about potential threats is vitally important and this information is increasingly available via electronic data sources such as social media communications However the amount and quality of these sources is varied and researchers and law enforcement need guidance about when and how to extract useful information from them The emergence of these crime threats such as communication between organized crime networks and radicalization towards terrorism is driven by a combination of political economic social technological legal and environmental factors The contributions to this volume represent a major step by researchers to systematically collect filter interpret and use the information available For the purposes of this book the only data sources used are publicly available sources which can be accessed legally and ethically This work will be of interest to researchers in criminology and criminal justice particularly in police science organized crime counter terrorism and crime science It will also be of interest to those in related fields such as applications of computer science and data mining public policy and business intelligence

**Nordic Utopias and Dystopias** Pia Maria Ahlbäck, Jouni Teittinen, Maria Lassén-Seger, 2022-11-24 The Nordic countries have long been subject to certain idealised even utopian imaginaries particularly with regard to images of pristine nature and the societal ideals of democracy equality and education On the other hand such projections inevitably invite dissent irony and intimations of the utopia s dark underside Things may yet take or may have already taken a dystopic course The present volume offers twelve contributions on utopias and dystopias in Nordic literature and culture Geographically the articles cover the Nordic countries of Denmark Finland Norway and Sweden as well as the autonomous area of Greenland Through the articles varied subjects ranging from avant garde literature and long

poems to noir TV series young adult fiction popular historiography and political discourse in literature outside of Norden the volume brings forth a historically rich multi layered picture of social cultural and environmental imagination in the Nordic countries Nordic Utopias and Dystopias is thus of interest not only to specialists in dystopian and utopian research but more broadly to scholars of literature and culture and the political and social sciences especially but not exclusively in the Nordic context

**Dystopia and Dispossession in the Hollywood Science Fiction Film, 1979-2017** Harry Warwick, 2023-02-15 Offering a survey of Hollywood science fiction cinema from 1979 to 2017 from Ridley Scott's *Alien* to Denis Villeneuve's *Blade Runner 2049* *Dystopia and Dispossession in the Hollywood Science Fiction Film* argues that the trajectory of Hollywood's dystopianism in that period is inextricable from the phenomenon of the new enclosures the new dispossessions and privatisations sweeping across the United States since the 1970s More precisely it contends that the critiques of such dispossessions elaborated before the turn of the century consider the satire of private policing in *RoboCop* 1987 the portrayal of commodified air in *Total Recall* 1990 and the nightmarish extrapolations of postmodern urbanism in *Blade Runner* 1982 and *The Truman Show* 1998 begin to disappear in films such as *The Matrix* 1999 *The Island* 2005 *District 9* 2009 *Repo Men* 2010 and *The Purge* 2013 the further commodification of land forest reservoir ideas even the human genome having diminished the contrast between capitalist and non capitalist spaces on which the earlier critiques depended Bringing close readings of blockbuster films into dialogue with historical and theoretical scholarship on dispossession *Dystopia and Dispossession in the Hollywood Science Fiction Film* proposes a new understanding of the politics of science fiction in particular and utopian thought in general
