great novel a memoir or a how to guide Owen's engaging style and wealth of experience make this book an indispensable companion for your writing journey What You'll Learn How to discover your unique idea and refine it into a compelling concept Tips for planning and outlining your book in a way that suits your writing style Techniques for overcoming writer's block and silencing your inner critic The ins and outs of self publishing traditional publishing and marketing your book With humor encouragement and expertise Owen takes the fear out of writing and replaces it with confidence and clarity *I Have This Nifty Idea...Now What Do I Do with It?* Mike Resnick, 2001-01-01 This book contains outlines for science fiction and fantasy novels which real authors new and old used to sell their books to major publishing companies Includes work by Robert Silverberg David Brin Joe Haldeman Mike Resnick Robert J Sawyer Barry N Malzberg and many more *A Brilliant Idea Every 60 Seconds* Michael Kryton, 2018-10-09 A Brilliant Idea Every 60 Seconds introduces a tested ideation and creative thinking methodology developed over the author's 36 year career as a creative communications professional and ideation expert This methodology and the associated tools are being applied in personal lives and professional careers helping people connect to their individual way of operating creatively This how to book on ideation focuses an individual's creative lens and makes the process of generating ideas highly tangible It is not simply about techniques it is also about understanding a context of personal individual creativity which allows individuals to more fully understand and embrace the Brilliant ideation techniques Most importantly it is about speed generating ideas right now The book is comprised of three components Examining individual creativity understanding the nature of your individual creative process exploring how you think and operate creatively understanding how others think and operate creatively maximizing the way groups teams and think tanks work together creatively and reach their creative potential The ideation toolkit understanding the nine Inherent Values idea triggers and how they work to generate Idea Strings and Actionable Ideas the matrix of these Inherent Values makes the creative process and ideation tangible Case studies examining over 30 case studies ranging from advertising campaigns and live events to problem solving situations and innovative product development **Art and Idea in the Novels of China Miéville** Carl Freedman, 2015-09-07 This book offers in the first six chapters critical readings of six novels by China Miéville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Miéville who shows them to be in truth indissoluble So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the

complex utopian project of Mi ville s fiction Freedman is one of our finest critical voices on Mi ville one of the most important speculative writers of the 21st century Sherryl Vint University of California Riverside *Weirding Civilization* Vesa-Pekka Herva,Antti Lahelma,2025-05-28 *Weirding Civilization* examines the irrational foundations of civilization from the Bronze Age to the Anthropocene Inspired by Twin Peaks and Lovecraftian horror it reveals how weirdness disorienting monstrous and ambivalent has shaped human society since the rise of the first complex civilizations Taking weirding as its conceptual lens the book examines hallmarks of civilization such as urbanism money and writing uncovering their layered and often non rational nature While the concept of weirding has gained traction across disciplines from literature studies to climate science this book applies it systematically to early civilizations for the first time Weirdness emerges as ruptures in experienced reality arising from the complex interplay between humans and non humans The book explores how civilization has unfolded in relation to hidden invisible and unknown dimensions of reality Accessible and thought provoking it broadens conceptual horizons offering fresh insights into the past and present while inviting readers to embrace that which resists categorization With a primary focus on Europe and the Near East it also addresses global questions of modernity technology and cultural imagination This book is essential for archaeologists anthropologists and historians studying complex societies as well as for readers fascinated by unconventional approaches to history and civilization It appeals to anyone seeking to disrupt conventional understandings of humanity s development *Monsters of Film, Fiction, and Fable* Lisa Wenger Bro,Mary Ann Gareis,Crystal O'Leary-Davidson,2018-07-27

Monsters are a part of every society and ours is no exception They are deeply embedded in our history our mythos and our culture However treating them as simply a facet of children s stories or escapist entertainment belittles their importance When examined closely we see that monsters have always represented the things we fear that which is different which we can t understand which is dangerous which is Other But in many ways monsters also represent our growing awareness of ourselves and our changing place in a continually shrinking world Contemporary portrayals of the monstrous often have less to do with what we fear in others than with what we fear about ourselves what we fear we might be capable of The nineteen essays in this volume explore the place and function of the monstrous in a variety of media stories and novels like Baum s Oz books or Gibson s Neuromancer television series and feature films like The Walking Dead or Edward Scissorhands and myths and legends like Beowulf and The Loch Ness Monster in order to provide a closer understanding of not just who we are and who we have been but also who we believe we can be for better or worse

The Urban Fantasy Anthology Peter S. Beagle,Joe R Lansdale,2011-08-15 Whether featuring tattooed demon hunters angst y vampires supernatural gumshoes or pixelated pixies Urban Fantasy mashes up old school tales with pop culture creating iconic characters diverging moralities and complex settings Urban fantasy is finally showcased in this star studded collection representing all three of its distinct styles including the playful new mythologies of Charles de Lint the sexy paranormal romances of Patricia Briggs and the gritty urban noir of Neil Gaiman
