An Unexpected Mp Confessions Of A Political Gossip:

An Unexpected MP Jerry Hayes, 2014-03-17 Some people enter politics because they want to make the world a better place Then there are those with well deserved inferiority complexes who want status power and position Few believe me but I entered the House of Commons purely by accident High virtue in high office Not a chance says Jerry Hayes No staid autobiography or dry political memoir An Unexpected MP takes you on a raucous and salacious romp through Westminster the media and public life In this no holds barred expos Jerry Hayes shows exactly why people were so surprised when he became an MP from the duty policeman who told him to bugger off when he rolled up on his first day to the Iron Lady herself who looked with a steely eye on his cheerful chutzpah And as the perfect antidote to the holier than thou whiter than white ways of the current crop of politicians the shameless and shamelessly entertaining Hayes makes a brilliant tour guide to the strange country that is Parliament taking gleeful swipes at left and right alike Full of tall tales of unspeakable debauchery on a tsunami of alcohol An Unexpected MP is a thundering account of the offbeat lunacy of Westminster and Fleet Street

Breaking the Code Gyles Brandreth, 2014-09-29 Brandreth is the true Samuel Pepys of our day Andrew Neil BBC Radio Five Live Brandreth for my money offers about the most honest and the most amusing account of the demented beery futility of the Tory ruled Commons in the 1990s Boris Johnson Daily Telegraph hilariously acute Irresistible Matthew d Ancona Sunday Telegraph Extremely touching Brandreth emerges as a decent amusing talented and charming man Simon Heffer Daily Mail As a witty and insightful chronicler Brandreth is unsurpassed Michael Simmons The Spectator Gyles Brandreth's revealing journal paints an extraordinary portrait of Whitehall and Westminster in our time warts and all Brandreth MP for Chester and government whip enjoyed a ringside seat at the great political events of the 1990s from the fall of Margaret Thatcher to the election of Tony Blair With candid descriptions of the key figures of the era from the leading players to the ministers who fell from grace and a cast that includes the Queen Bill Clinton and Joanna Lumley these widely acclaimed diaries provide a fascinating insight into both the reality of modern government and the bizarre life of a parliamentary candidate and new MP Controversially Breaking the Code also contains the first ever insider's account of the hitherto secret world that is the Government Whips Office This new complete edition features material previously excised for legal reasons as well as additional diaries that take the story on another ten years to the departure of Tony Blair and the arrival as Tory leader of David Cameron a bright young hopeful when Brandreth first meets him in 1993 Haven't You Heard? Marie Le Conte, 2019-09-05 The politics book to be seen with in these febrile times The i Newspaper How facts rumour and mischief making become the news we all obsess over Tim Shipman A cracking read Treat yourself John Crace NOW WITH A BONUS CHAPTER INCLUDED Ever wondered why the indiscretions of some MPs make the front page while others don't How close journalists really are to politicians Or how on earth the country is run when the British political system is in such a mess In Haven't You Heard Marie Le Conte looks at the role gossip whispers and tittle tattle play in all areas of politics for the MPs

and their advisers the press who cover them and the civil servants in the middle of it all From policy rows which aren't about policy at all and boozy nights with dramatic consequences to people spinning their way to the top and dark secrets never seeing the light of day Marie explores in great and entertaining detail the human side of the people running the country against a backdrop of political mayhem The Eye of the Storm Rob Wilson, 2014-07-22 MPs expenses in 2009 Phone hacking in 2011 Plebgate in 2012 If a good speech or a ground breaking new policy fails to get people talking you can be sure a juicy scandal will do the trick Our instantaneous news culture of social networks blogs and Twitter feeds means politicians now more than ever can find themselves the focus of every journalist in the country in what seems like the blink of an eye But behind this hostile media landscape behind the storm of camera flashes and the clamour of opponents on all sides baying for blood are the politicians themselves With the benefit of personal interviews and access to senior officials including Vince Cable Andrew Mitchell and Jeremy Hunt Rob Wilson MP details what it's really like to be at the heart of a relentless media onslaught Describing both the emotional upheaval and the strategies employed as politicians try to navigate through careers seemingly hanging by a thread Wilson reveals the extraordinary political and personal stories behind the public drama the real impact on those who live in the eye of the storm **The Illustrated London News**, 1847 **Alliance News**, 1897 *The Saturday Review of Politics, Literature, Science and Art*, 1864 *The Guardian Index*, 2003 **The Christian's monthly news and British Protestant**, 1866 **The London Review of Politics, Society, Literature, Art, & Science**, 1865 **Athenaeum and Literary Chronicle**, 1848 **Saturday Review of Politics, Literature, Science and Art**, 1864 **Conspiracy, Politics, and a Disorderly Border** Marc Askew, 2007 Examines a number of themes underlying the struggle to identify the character and causes of the violence engulfing southern Thailand's border provinces since 2004 This book addresses the prominence of a number of conspiracy theories claiming that killings and bombings have been engineered in whole or in part by vested interest groups **The Spectator**, 1836 A weekly review of politics literature theology and art The Economist, 1999 **The Athenaeum**, 1898 **The Athenæum**, 1848 **The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry**, 1886 South Africa News Update, 1993 Consists of reproductions of articles from South African newspapers *The Graphic*, 1874
