

UNANSWERED CRIES

AUTHOR: Osman Conteh

SETTING: Sierra Leone

Meaning and relationship between the title and content:-

UNANSWERED CRIES:- The title can be taken to mean refusing to grant or accept some ones request/wish for something or refusing to cooperate with someone in accomplishing something. The book is mainly about female genital mutilation (FGM) and its supposed benefits.

A mother's desire and wish to have her daughter circumcised are frustrated, refused denied and even mocked. According to Makalaay and indeed the entire village women led by the Bondo secret society, its only through circumcision that a girl would be able to prepare adequately for parenthood, be submissive, faithful and loyal to her husband and possess self-control without which she would be despised, mocked and even be rejected for marriage! She therefore takes it upon herself to get her daughter circumcised but all her efforts are frustrated, blocked and not reciprocated as follows:-

Her daughter Olabisi flatly refuses to cooperate with her on the matter of circumcision and runs away from her home back to the city. This is her first hurdle which she fails to overcome. This was first the setback she met.

Also the hunter (Pa Amadu) whom she contracted to help get her daughter back colludes with her (Olabisi) and helps her escape back to the city. It's like everyone and everything is conspiring against her. Here we see how her efforts to get her daughter back continue to hit one dead wall after another.

Her ex-lover (Ade Jones) flatly refuses to cooperate with her in her quest to have Olabisi circumcised. Her threats & theatrics don't move him an inch. He even threatens to kill her if she doesn't vacate his premises. So here again we see Makalaay's desire to have Olabisi circumcised blocked by her father hence unanswered cries.

Yah Posse and other members of the Bondo Secret Society's efforts to have Olabisi circumcised all hit a dead end; she escapes from their captivity by fighting her way out this fight becomes the proverbial last straw that broke the Camel's back. Its gets personal from then onwards since they are on a mission to teach her a lesson for clearly showing contempt and disregard for their customs and beating Yah Powney's daughters.
