

21 Irrefutable Laws of Leadership

By
John C. Maxwell

"Leadership is developed daily, not in a day."

1. Five myths about leadership: (p. 17)

I want you to think about which myths you have bought into. What are your thoughts about leadership?

- *Leading and managing are one and the same* (Leadership is actually about influencing people to follow; management is focused on maintaining systems and processes).
- *All entrepreneurs are leaders* (If they are not good with people, they cannot lead).
- *People who possess knowledge and intelligence are natural leaders* (Neither IQ nor education necessarily equates to leadership).
- *Those out in front of the crowd are leaders* (Being a trendsetter or pioneer does not make one a leader).
- *Leadership is based on position* (It's not the position that makes the leader; it's the leader that makes the position—it's all about influence).

2. Leadership is... (pp. 17-18)

- *Character*- Who they are
- *Relationships*- Who they know
- *Knowledge*- What they know
- *Intuition*- What they feel
- *Experience*- Where they have been
- *Past Successes*- What they have done
- *Ability*- What they can do

The author discusses the reality of true leadership. We can relate to some or all of these as potential or current leaders.

3. Seeing the trip ahead: (p.38) **The Law of Navigation**

"...Leaders see the whole trip in their minds before they leave the dock. They have vision for getting to their destination, they understand what it will take to get there, they know who they'll need on the team to be successful, and they recognize the obstacles long before they appear on the horizon."

Instructional Leader Application:

Can you see where you want your school to be in one year, three years, or five years? Do you know what needs to be done to get there? What are the possible setbacks?

4. Connect with people: (pp.117-119) **The Law of Connection**

- Connect first with yourself
- Communicate with openness and sincerity
- Know your audience
- Live your message
- Go to where they are
- Focus on them, not yourself
- Believe in them
- Offer direction and hope

Instructional Leader Application:

How connected are you with your faculty and staff? Is there a frequent line of communication? Do you believe that they can accomplish what needs to be done?
