

Year 2 Writing Checklist

These checklist lists are for the 2019-2020 National Curriculum Year writing. They are split into:

- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth within the Expected Standard

All of the statements are progressive within and across the year so that the majority of pupils will be working on their own year goals.

How to Use the Checklists

The year can be used to track the achievement of individual pupils to highlight the progress of groups of children who are meeting writing targets.

To judge that a pupil is working at a standard in English, look across the checklist for the school year which demonstrates that the child has reached:

Working Towards the Expected Standard

Pupils can write sentences to form a short narrative about experiences (real and fictional), after discussion with the teacher.

Identifying some common words (capital letters and full stops).

Representing spoken words like phrases and sentences, spelling some correctly and making phonically plausible for others.

Spelling some common exception words.

Forming lower case letters in the correct direction, some right size.

Forming lower case letters of the correct size relative to the writing.

Using spacing between words.

Year 2 Writing Checklist

Using some punctuation (what / I / that / because).

Representing spoken words like phrases and sentences, spelling many correctly.

Writing capital letters and signs of the correct size, some in the correct case to form long letters.

Using spacing between words that reflects the use of the

Year 2 Writing Checklist

Working at Greater Depth within the Expected Standard

Pupils can write effectively and coherently for different purposes, drawing on their reading to inform the vocabulary and grammar of their writing after discussion with the teacher.

Writing simple sentences, phrases and good writing sentences in their own writing.

Using the full range of punctuation taught in the year 2 writing correctly, including:

Spelling most common exception words.

Writing sentences in full and words correctly in their writing, e.g. words, more, less, from, to.

Inclusive Educational Practice Teresa Grainger,Janet Tod,2013-10-28 First Published in 2001 An inclusive education is one which seeks to respond to individual differences through an entitlement of all learners to common curricula Armstrong and Barton 2000 This book attempts to respond to this definition of inclusion by examining the principles of the literacy curriculum and a range of pedagogic practices The complex relationships between inclusion literacy and learning are acknowledged and it is argued that quality learning in language and literacy can work towards increased equity and involvement within the classroom community

The Learning and Teaching of Reading and Writing Naomi Flynn,Rhona Stainthorp,2006-07-11 This book provides a unique description of teacher pupil interaction during the Literacy Hour in good schools It is based on detailed observations in inner city primary schools that were recognised as effective and improving The analysis is informed by contemporary research into the development and teaching of early literacy The book provides practice based examples of how teachers and schools might adapt their delivery for literacy as they move to greater creativity in their teaching of reading and writing The analysis begins within the classrooms of three expert Key Stage 1 teachers and broadens out in to the wider setting of the schools and their senior management teams An important theme running throughout the book is how the three teachers were able to make exceptional provision for their pupils who were largely second language speakers and from socio economically disadvantaged groups The teachers successful practice grew from their understanding of both early literacy development and planning for individual need The information in this book will enable student teachers recently qualified teachers and teachers interested in enhancing their literacy teaching to develop their practice in a similarly successful way
