World Health Report:

The World Health Report 2002 World Health Organization, 2002 The world is living dangerously either because it has little choice or because it is making the wrong choices Dr Gro Harlem Brundtland WHO Director General **The World Health Report 2005** World Health Organization, 2005-03-23 Each year almost 11 million children under five years of age die from largely preventable causes whilst about half a million women die in pregnancy childbirth or soon after This year's report focuses on maternal newborn and child health issues as an integral part of progress towards achieving the Millennium Development Goals targets and promoting poverty reduction It identifies exclusion as a key feature of inequity as well as a barrier to progress and sets out strategies required to ensure universal access to health care and social health insurance systems for every mother and child through a continuum that extends from pregnancy through childbirth the neonatal period and childhood *The World Health Report 2006* World Health Organization, 2006-03-23 The 2006 World Health Report focuses on the chronic shortages of doctors midwives nurses and other health care support workers in the poorest countries of the world where they are most needed This is particularly true in sub Saharan Africa which has only four in every hundred global health workers but has a quarter of the global burden of disease and less than one per cent of the world's financial resources Poor working conditions high rates of attrition due to illness and migration and education systems that are unable to pick up the slack reflect the depth of the challenges in these crisis countries This report considers the challenges involved and sets out a 10 year action plan designed to tackle the crisis over the next ten years by which countries can strengthen their health system by building their health workforces and institutional capacity with the support of global partners *The World Health Report 2007* World Health Organization, 2007 World Health Report 2007 discusses the challenges to global health security by the increasing and constant movement around the world of people and products It looks at the potential of new tools for collective defence particularly the revised International Health Regulations 2005 which came into force this year Significantly the revised Regulations move away from a focus on passive barriers at airports seaports and borders to a strategy of proactive risk management detecting an event early and stopping it at its source before it has a chance to become an international threat **The World Health Report 2008** World Health Organization, 2008 Provides information on medical care and health care policy from around the world **World Health Report 2012** World Health Organization, The World Health Report 2012 the biannual flagship report of the World Health Organization focuses for the first time in its history on the theme of research for better health Decisions on healthcare are still made without a solid grounding in research evidence and an impetus is required for this state of affairs to change Aimed at ministers of health the report provides new ideas innovative thinking and pragmatic advice on how to strengthen health research systems WHO and PLoS have launched an initiative to encourage researchers to complement and substantiate the key messages in World Health Report 2012 by creating a special WHO PLoS Collection PLoS invited the submission of papers especially from low and

middle income countries on topics related to strengthening of key functions and components of national health research systems The World Health Report 2012 focuses on eight specific areas discussed in the editorial within the theme of No Health Without Research We highlight below some examples of articles previously published in PLoS journals in these specific areas of interest Now iMedPub brings this collection to you within a book

The World Health Report 2001 World Health Organization,2001 Reports on the burden of mental and behavioural disorders and the cost in human social and economic terms

The World Health Report 1997 World Health Organization,1997 Increases in life expectancy combined with changes in lifestyles are leading to global epidemics of cancer and other chronic diseases These may cause an increase in human suffering and disability This report focuses on chronic non communicable diseases such as cancer and heart disease diabetes and rheumatic conditions and mental and neurological disorders It examines the causes of these diseases and highlights the main risk factors in their development In each area priorities for international action in terms of prevention treatment cure and rehabilitation are suggested This report focuses on major chronic non communicable diseases such as cancer and heart disease diabetes and rheumatic conditions and mental and neurological disorders It shows that the bonuses of an increasing life span are in danger of being outweighed by the burden of chronic diseases which kill over 24 million people a year nearly half of all deaths worldwide

World Health Statistics 2009 World Health Organization,2009 World Health Statistics 2009 contains WHO s annual compilation of data from its 193 member states and includes a summary of progress towards the health related millennium development goals and targets This edition also contains a new section on reported cases of selected infectious diseases It provides a comprehensive summary of the current status of national health and health systems including mortality and burden of disease causes of death reported infectious diseases health service coverage risk factors health systems resources health expenditures inequities and demographic and socioeconomic statistics The section on inequities presents statistics on the distribution of selected health outcomes and interventions within countries disaggregated by sex age urban and rural settings wealth and educational level WHO presents World Health Statistics 2009 as an integral part of its ongoing effort to inform better measures of population health and national health systems

FAQs About World Health Report Books

What is a World Health Report PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a World Health Report PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a World Health Report PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a World Health Report PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a World Health Report PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
