Going Home: Essays, Articles, and Stories in Honour of the Andersons Pete Myers, 2012-10-12 In *Going Home* the reader will find an eclectic celebration of the diverse skills students develop at Oak Hill to understand and apply the gospel to daily life From ancient Hebrew studies to telling stories to toddlers the grace of Christ which is taking us home sweetens everything True ministers of the gospel model their message 2 Tim 3 10 11 It is that spirit of gospel practice which this volume is celebrating You get a fair idea of the great esteem and affection in which the Anderson family is held from the way so many members of the Oak Hill College community have contributed to this Festschrift From the Preface by Mike Ovey

Virtual and Real-Life Spaces of Jewish Europe in the 21st Century Maja Hultman, Joachim Schlör, 2025-10-06 The first decades of the 21st century have presented numerous challenges for European Jewry far right movements and a rise of antisemitism a global pandemic and a war on European soil At the same time heritage sites commemorating the Jewish past and the use of digital platforms to create new forms of communication and cultural co construction are growing Using a variety of spaces

heritage sites museums digital practices urban topography and communal activities as case studies this collective volume analyses whether they might serve as a reminder that despite moments of crisis Jewish life in Europe persists The spatial analysis offered by the volume uses the concept of virtuality as a starting point thereby engaging anew with spatial concepts laid out by scholars in the 1990s Now 30 years later prompted by today's political social and cultural European landscape as well as the increasing role of digitization the authors discuss the meaning of virtuality and how it relates to notions of authenticity and reality in Jewish culture and in Jewish non Jewish relations As such the book provides a fresh take on and a new way forward for the conceptualizations and applications of space which together offer particularly useful avenues to access power relations identity re constructions and performative aspects of the European Jewish experience Text Me Jeffrey Schein, 2019-10-24 Common sense tells us that technology can either be a blessing or curse in our lives The assertion flows easily but deceptively from us Beneath the flowing assertion lay many cross currents and much complexity These complexities are named and laid out for individual and group exploration throughout the book They provide mirrors for the reader and groups of readers to discover their own affirmations and arguments with their own digital profiles based on Jewish humanistic religious values The iterative analysis points back to the double entendre in the book's title text me can be a command to engage in the famously quick communication as in receiving a text on our smart phones and text me can also serve as an imperative to explore the wisdom contained in Jewish texts The synergies gaps creative tensions and paradoxes living within this double use of text me permeate the volume Though rooted in Jewish sources the tools of analysis can be used by Christians Muslims and people who describe themselves as spiritual but not religious Indeed the book is an invitation to all who live in the digital age which is to say all of us Commentaries provided by scholars of all three of the western monotheistic faiths highlight this universal dimension The View from Rock Bottom Stephanie Tait, 2019-08-06 I had found my rock bottom and instead of pulling me out the God of the universe met me there in the rubble What is your response when your life turns upside down When you lose your job When you receive a difficult diagnosis Do you blame God or beg Him for a way out of your suffering In more than a decade of misdiagnoses and debilitating treatments Stephanie Tait admits she did plenty of both before hearing the two words that had drastically altered her life Lyme disease Yet she has discovered it's in her pain that Jesus is most present Through personal stories and biblical examples you will learn that suffering connects you to God as He meets you in your moment of pain strengthens your community when you allow others to comfort you in your sorrow gives you greater appreciation for life's goodness as you gain an eternal perspective Even if the healing never comes there is something sacred in the suffering It's from holy rubble that God makes all things new *The Crooked Timber of Democracy in Israel* Dahlia Scheindlin, 2023-09-18 A narrative chronicle of Israeli democracy that defines historic phases and follows thematic challenges to democracy including competition between religion and the rule of law the statist society and chaotic minoritocracy modern illiberal populism and the Israeli Palestinian conflict The comprehensive portrait exposes

endemic flaws of democracy in Israel but also shows that Israel has considerable capacity and responsibility to fulfill the promise of democracy *Cincinnati Magazine* ,2009-11 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region *From Time to Time* Dalia Marx,2023-11-28 Time is fundamental to the human experience and in Judaism it is even more time is sanctified Understanding the Jewish calendar is thus essential for fully comprehending Judaism In *From Time to Time* Rabbi Dalia Marx PhD presents a fascinating exploration of the treasures of the Jewish year The book artfully blends traditional and contemporary perspectives on each Hebrew month and its holidays Rabbi Marx s insights are paired with striking illustrations each month also features a diverse selection of poetry prayers and songs Taking a distinctively Israeli feminist and progressive approach *From Time to Time* is a comprehensive indispensable companion you will want to return to each season I have no doubt that this new book will contribute a great deal to the global Jewish cultural field offering Dalia Marx s evocative and singular voice of insight and wisdom to the interpretation of our Jewish calendar and greatly enriching the ongoing and vital conversation that is our Jewish heritage with Jews around the world Isaac Herzog President of the State of Israel Dalia Marx s brilliant book *From Time to Time* offers extraordinary new ways of understanding Jewish time With poetry ancient and modern texts ritual suggestions and historical reflections Marx illuminates traditional holidays features lesser known celebrations such as Moroccan Mimouna and Ethiopian Sigd and brings an evolved scholarship that includes feminist pluralist and gender fluid perspectives This rich tapestry allows us not only to learn more about the expanded Israeli calendar but about Jewish views of time across the world and the centuries This indispensable volume will help every one of us make our time more meaningful and sacred Rabbi Angela Warnick Buchdahl Senior Rabbi Central Synagogue NYC This is quite simply a genius of a book not just the best of its kind but the only thing of its kind a moving combination of scholarly depth and mastery of Jewish tradition served up with personal anecdote poetic sensitivity and an uncanny ability to make the seasons the holidays and even ordinary time come alive with meaning Rabbi Lawrence A Hoffman PhD Professor Emeritus Hebrew Union College Jewish Institute of Religion God s glory is the human being fully alive declared Saint Irenaeus of Lyon Rabbi Dalia Marx s book offers a vade mecum for human flourishing Her expansive compendium opens horizons on Israeli Jewish cultures and religious expressions and takes readers beyond that world *From Time to Time* is an evocative read a splendid resource and a powerful reminder that the diverse ways in which humans ritualize our longings and seek meaning connect us across boundaries of difference Sr Mary C Boys Professor Union Theological Seminary This book is a delightful and insightful road map for Jewish time travel helping modern readers navigate the deeper meanings of each moment and season on the Jewish calendar Rabbi Marx makes sacred time accessible and exciting through a fusion of historical clarity cultural diversity and contemporary relevance revealing the essence of our ever evolving traditions Rabbi Amichai Lau Lavie Founding Spiritual Leader Lab Shul If as Rabbi Heschel once said our Sabbaths are cathedrals in time Rabbi Dalia Marx has

constructed a wonderland of the entire Jewish calendar Her poetic imagination ranges across text and time from Israel to Diaspora across gender and geography and liturgy This gorgeous book will be indispensable for those trying to find their way through the Jewish calendar and also for those who may already live the Jewish calendar yet seek to find themselves more deeply within it Dahlia Lithwick Senior Editor Slate The book s intellectual depth is balanced by an accessible writing style that successfully engages lay readers with applications to contemporary life including prayers for schoolchildren and families This emphasis on accessibility is reflected in the book s ample appendices which include a glossary and a diagram of the Hebrew calendar year While Marx s perceptive analysis is the star this book is also a visually stunning volume full of text box vignettes gorgeous illuminations and other decorative flairs as well as frequent parallel texts juxtaposing Hebrew scripture with English translations This work is a welcome reminder of King David s adage to count our days rightly that we may obtain a wise heart A brilliant introduction to the Jewish calendar that s both visually and intellectually striking Kirkus

Reviews **Messianic Zionism in the Digital Age** Rachel Z. Feldman,2024-03-15 Judaism in the twenty first century has seen the rise of the messianic Third Temple movement as religious activists based in Israel have worked to realize biblical prophecies including the restoration of a Jewish theocracy and the construction of the third and final Temple on Jerusalem s Temple Mount Through groundbreaking ethnographic research Messianic Zionism in the Digital Age details how Third Temple visions have gained considerable momentum and political support in Israel and abroad The role of technology in this movement s globalization has been critical Feldman skillfully highlights the ways in which the internet and social media have contributed to the movement s growth beyond the streets of Jerusalem into communities of former Christians around the world who now identify as the Children of Noah Bnei Noah She charts a path for future research while documenting the intimate effects of political theologies in motion and the birth of a new transnational Judaic faith **The Sabbath Way**

Travis West,2025-06-03 Experience the transformational power of the sacred ancient radical rhythm of Sabbath rest In the fast paced chaotic overly scheduled cadence of our culture it can be difficult to imagine how to squeeze the Sabbath into our already over stuffed lives like trying to fit an eleventh passenger into an eight passenger van What if Sabbath isn t designed to fit into our lives but rather to take over our lives in the best way imaginable Hebrew scholar and Old Testament professor Travis West believes that we ve misunderstood what it means to truly Sabbath In his book The Sabbath Way Travis takes readers on a spiritual journey to discovering radical rest is more than a weekly practice of taking a day off it s also a posture a way of living every day It means much more than sleeping in taking naps or chilling poolside for an afternoon instead the radical rest of Sabbath means putting rest and delight gratitude and flourishing first rather than last Using personal story and expert knowledge Travis shows Christians how to make Sabbath rest the metronome that establishes and maintains our life s rhythms apprenticing us to abundance our whole life long Readers of this book will discover how the Sabbath slows us down and helps us discover the things that make us feel most alive freeing us from rigidity and legalism disrupts our cultural

obsession with productivity and achievement and cultivates a more life giving connection between our work and our worth inspires an unhurried sacramental worldview that sees all of life as a gift safeguards neighborliness creation care awareness of God's presence justice belonging and inclusiveness enabling us to grow into the people God is calling us to be in our lives our homes our workplaces our communities and our world The Spirit of God longs for you to be fully alive and the world needs your unique vitality The Sabbath is calling Will you come **The State of American Jewry** Frederick E.

Greenspahn, 2025-07-22 The essays in this volume describe the current nature of American Jewry including demography ethnicity gender political and religious attitudes and organizational structure all of which have changed dramatically over the past few decades Provided by publisher **Canadian Almanac and Directory 2021** Grey House Canada, 2020-12 The Canadian Almanac Directory is the most complete source of Canadian information available cultural professional and financial institutions legislative governmental judicial and educational organizations Canada's authoritative sourcebook for almost 160 years the Canadian Almanac Directory gives you access to almost 100 000 names and addresses of contacts throughout the network of Canadian institutions *Identities in Crisis in Iran* Ronen A. Cohen, 2015-03-18 Identities in Crisis in Iran aims at finding answers to the questions about the puzzling character of the Iranian identity The contributors acknowledge that identity especially when it is faced with fundamental tensions as in the case of Iran is a phenomenon that is constantly developing via factors involving the private self and common social components This book addresses the tension many Iranian people face that lie between the Persian culture and the Shi'a religion women versus men and culture versus traditions **First-Century Christians in Twenty-First Century Africa** Nathan P. Devir, 2022-02-28 Millions of African Christians who consider themselves genealogical descendants of one of the Ten Lost Tribes of Israel in other words Jewish by ethnicity but Christian in terms of faith are increasingly choosing a religious affiliation that honors both of these identities Their choice Messianic Judaism Messianic adherents emulate the Christians of the first century observing the Jewish commandments while also affirming the salvational grace of Yeshua Jesus As the first comparative ethnography of such fulfilled Jews on the African continent this book presents case studies that will enrich our understanding of one of global Christianity's most overlooked iterations **Handbook of Research on Political Activism in the Information Age** Solo, Ashu M. G., 2014-05-31 Technology and particularly the Internet has caused many changes in the realm of politics Mainstream media no longer has a monopoly on political commentary as social media blogs and user generated video streaming sites have emerged as an outlet for citizens and political activists to openly voice their opinions organize political demonstrations and network online The Handbook of Research on Political Activism in the Information Age includes progressive research from more than 39 international experts at universities and research institutions across 15 different countries Each of the 25 scholarly chapter contributions focus on topics pertaining to the application of information technology engineering and mathematics to political activism Through its analysis of the methods for political activism in the

information age the effectiveness of these methods as well as emerging analytical tools this book is designed for use by researchers activists political scientists engineers computer scientists journalists professors students and professionals working in the fields of politics e government media and communications and Internet marketing *Abuse in World Religions* Johanna Stiebert,2025-07-31 This book draws attention to the texts mechanisms strategies and initiatives that address and combat sexual ised spiritual abuse in five world religions It goes beyond identifying describing or characterising spiritual abuse in multiple religious traditions and rape culture settings instead describing what is being done in diverse religious communities and settings to confront address resist and heal from spiritual abuse Just as none of the world religions are free from spiritual abuse all have developed ways to detoxify prevent eliminate and bring healing and justice in the face of its existence Solution focused activities range from analysis of sacred texts to discussion forums creation of self representational visual and creative expressions digital and other forms of activism and protest specialist training courses support groups and survivor led initiatives The book will appeal to academics of religious studies with interest in rape culture and spiritual abuse as well as upper level undergraduates and postgraduates and also religious leaders or leaders of faith based organisations seeking to understand and to confront spiritual abuse and rape culture in their own communities

Social Sector Communication Jaishri Jethwaney,2024-07-22 Communication advocacy and outreach are germane to the success of any organisation working in the social sector This book provides a robust conceptual framework that is required to understand the demands of the sector and suggests strategies and tools for those engaged in social sector communication This book not only highlights the theoretical underpinnings practice and skill of social sector communications in India but also provides an understanding of various skills and approaches required in communication including social marketing media advocacy social mobilisation grassroots communication and corporate social responsibility CSR With the aid of case studies it offers suggestions on how to plan campaigns write a concept note field report and press release and effectively use social media to achieve developmental programme goals This revised edition discusses the different perspectives of NGOs and programme implementers and helps in understanding the corporate NGO interface vis vis CSR projects This book will be useful to students of social work business and management preparing for roles in social enterprises It will also be of use to working professionals in the social sector *The Samaritans* Steven Fine,2022-02-22 The Samaritans A Biblical People

celebrates the culture of the Israelite Samaritans from biblical times to our own day An international team of historians folklorists a documentary filmmaker and contemporary artists have come together to explore ways that Samaritans Jews Christians and Muslims have interacted often shunned and always interpreted one another across the expanse of western civilization Written for both the general reader and the scholar *The Samaritans A Biblical People* is a centerpiece of the Israelite Samaritans Project of the Yeshiva University Center for Israel Studies This exquisitely illustrated volume celebrates a traveling exhibition produced jointly with the Museum of the Bible in Washington D C *Refugee Imaginaries* Cox Emma

Cox, 2019-11-01 Charts new directions for interdisciplinary research on refugee writing and representation Places refugee imaginaries at the centre of interdisciplinary exchange demonstrating the vital new perspectives on refugee experience available in humanities research Brings together leading research in literary performance art and film studies digital and new media postcolonialism and critical race theory transnational and comparative cultural studies history anthropology philosophy human geography and cultural politics The refugee has emerged as one of the key figures of the twenty first century This book explores how refugees imagine the world and how the world imagines them It demonstrates the ways in which refugees have been written into being by international law governmental and non governmental bodies and the media and foregrounds the role of the arts and humanities in imagining historicising and protesting the experiences of forced migration and statelessness Including thirty two newly written chapters on representations by and of refugees from leading researchers in the field Refugee Imaginaries establishes the case for placing the study of the refugee at the centre of contemporary critical enquiry
