Competition in the Health Care Sector Warren Greenberg, 1988 Competition Deregulation Free market forces The debate over competition in health care that raged in the 1970s brought with it a new economic jargon a vocabulary of concepts and issues unheard of in hospitals a decade earlier Competition in health care has developed to a greater degree than most economists predicted ten years ago That is the conclusion of Warren Greenberg in his introduction to Competition in the Health Care Sector Ten Years Later a retrospective of a 1977 Federal Trade Commission conference which produced the landmark treatise Competition in the Health Care Sector Past Present and

Future Seven of the ten original papers are reexamined a chapter on the nursing home industry has been added As with the original volume Greenberg predicts that the retrospective will become a critical element in the health care economic literature Hospitals
