The Widow's Box Peter A. LaPorta,2023-01-12 The women have gossiped with stories throughout history as if these walls could talk and they heard every word The men regale each other with exaggerated stories assuming the mattress could not talk and challenge their boasts What stories would the furniture tell if it shared the inside secrets How many lives has it touched in the last 100 years How many generations have touched the high gloss cherry wood finish and lived to tell the tale Every scratch has a story every blemish a punishment True furniture endures the test of time and captures lifetimes of moments along the way A violent storm in 1916 destroys the southern ridge of the Blue Ridge Mountains but gives birth to furniture manufacturing The very trees that threatened lives in the storm are transformed into beautiful furniture pieces with a hidden feature A Widow s Box As the set is purchased and becomes part of the Papa family the hidden box is kept secret Some use the box to hide their past some to save their future Generations of family endure the struggle to maintain the furniture and protect the secrets within Come along on this magical journey through time as LaPorta whisks you away along the lives that are touched within a 100 years Some will perish and other flourish but they all have one thing in common the Widow s Box Will the secret within be carried to the graveyard of the landfill or will quality and love endure the test of time
