Think Christianly Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don't notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world

Am I Good Enough? Andy Stanley, 2009-02-19 I Ask Myself Every Day Am I Good Enough Christians claim that Jesus is the only way to heaven But how could a good God who created the entire universe in all its diversity be so limiting Is Christianity unfair Isn't it more fitting to believe that good people from any religious or nonreligious background go to heaven rather than people from one particular belief system Maybe not says Andy Stanley In this updated edition of the bestselling book teen readers will find out why Jesus taught that goodness is not even a requirement to enter heaven and why Christianity is beyond fair Andy Stanley leads the next generation of young people to a grateful awareness of God's enormous grace and mercy If only good people go to heaven would I make the cut If Christianity is true why is God so narrow minded And why aren't the answers obvious They are Find out why being good enough has nothing to do with heaven's requirements and why God is in fact not fair at all *Story Behind the Book* Andy Stanley has a heart for families and a special place for today's youth Having served for many years as a youth and young adult pastor at a large church in Atlanta his greatest goal was to lead a young person to Christ With the success of his book *How Good Is Good Enough* and its acceptance as a widely used evangelistic tool it was a natural step to refine this important question for the youth of today Andy wanted to write a text that was aimed right at the heart of today's young culture and put a cover on the book that would interest and attract them to it

Today's youth are constantly looking for assurances in a crazy world. They get that assurance by learning that it is not how good you are but that you are forgiven. **Don't Wing It** Tim Moore, 2025-10-14. Don't Leave Your Future to Chance. There is no playbook for life. School doesn't fully prepare you for adulthood, whether it's doing taxes, buying a house, choosing the right insurance, or figuring out parenthood. When there is no roadmap, it's easy to make decisions that leave us with regrets. And the decisions you make today will determine the life you live tomorrow. *Don't Wing It* cuts through the confusion of adulthood, bringing clarity to some of life's biggest decisions. In this book, you will find the key essentials for understanding banks and budgets, using credit cards wisely, buying a car or a house, building healthy relationships, navigating parenting, doing your taxes, building financial freedom, and much more. In *Don't Wing It*, bestselling author Tim Moore unpacks what he's learned from thirty years of adulthood, twenty-five years of parenting, and over twenty years of pastoring and coaching others to help you make the best decisions for life. Whether you're a teenager preparing to enter college or a young adult raising children, this book will provide a solid foundation for building the future you want. *Parenting* Brett Ullman, 2020-07-31. After more than two decades and over two thousand presentations, my interactions with parents reveal that although most want to learn and parent their best, they feel ill-equipped. Kids don't come with manuals. The goal of this book is to equip and empower you as a parent, grandparent, or youth leader to help kids navigate all aspects of life in the current culture. How do we sift through the unending philosophies on parenting and be intentional in how we choose what's best for our family? The number of voices is overwhelming. This book distills the essential elements of parenting so you can apply them in your own home. It approaches parenting from a Christian perspective and is filled with practical advice that is applicable to everyone. As we explore the foundations of parenting, we will look at: Parenting: What are the stages of parenting? What is the current state of parenting? What is the purpose of parenting? Parenting styles: What are they and which ones should I be using? What might I need to alter about my current parenting style? Progression of parenting: What are the skills our children need to learn? Time: What does quality time and being present with my kids look like? Communication: How can I gain better communication skills so that I can more effectively connect with my kids? Discipline: How do I effectively discipline my children? Family discipleship: Why is our worldview important and how we can raise kids with a Christian worldview? Mental Health: How do we address issues like anxiety, panic attacks, and depression? Engaging the Culture: How do we empower our kids to engage the culture around us without compromising their faith? Media: How can we help our kids navigate technology? Sexuality: How do we direct our kids towards healthy sexuality? Pornography: What is the prevalence of pornography and how do we address its impact on our kids? Dating: How do we best avoid pitfalls in dating? Finances and education: How can we help our children make sound financial and education choices? Drugs and alcohol: What tools are available to assist in drug proofing our kids? Loneliness: How do we prevent disconnection in our kids and help them to create community. **Parenting** Andy Stanley, Sandra Stanley, 2023-01-17. Am I getting parenting right?
