Returning to Intimacy to Rebuild and Restore Hearts to Christ Priscilla Young,2022-11-03 Priscilla s book Returning to Intimacy to Rebuild and Restore Hearts to Christ is about how she got so caught up in works for God that she forgot how to spend that intimate time that He so desired with her Holy Spirit took her through a time of spiritual training and rest to humble herself as a child at the master s feet This meant putting all else aside and allowing Holy Spirit to teach her how to once again pray with heartfelt prayers by spending time in His presence communicating only with Him and most of all returning her intimately with her First Love By God s direction Returning to Intimacy to Rebuild and Restore Hearts to Christ is the lesson plan He walked Priscilla through so that she could show others how to become intimate with Him once again This book is dedicated to all the men and women in prison who are searching to know the heart of God once again and have a burning desire to return to intimacy with Him **Daily Words of Encouragement to Live By** Dr. Jim Bostic Th. hopeless and bring healing for your soul **Tuning My Heart** Laurie Ann Kraus, 2008-05-28 Even in a society as highly mobile as our own has become change is unsettling discomfiting Like our ancestors in faith we are more often than not on the journey in the wilderness seeking to know who we are as a people and trying to comprehend the God who we hope is going up with us wherever it is we end up going The paths are not as familiar as they once were and recognizable signposts are rare It s easy to feel lost The congregation I have now served in Miami Florida for nearly twenty years has while remaining constant in size changed faces accents and styles at a dizzying pace People don t stay put anymore and the folk who find their way to church these days are hungry for a home longing for community and hoping the God of their long vanished Sunday school childhoods can find the way to their latest change of address For this pastor and her congregation the rooting of our common life and shared faith story in the fertile soil and the organic rhythms of the liturgical year has provided a permanent address that feels like home Tuning My Heart is a collection of articles sermons and poetry based upon the movements of the liturgical calendar and shaped by one tropical congregation s life cycle as it seeks to bloom in the old rich soil of the Christian tradition and to flower in the exotically scented air of the vibrant diverse city that is home
