And The Dead Shall Rise:

And the Dead Shall Rise Steve Oney, 2023-04-12 The definitive account of one of American history's most repellent and most fascinating moments combining investigative journalism and sweeping social history Years later the tale of murder and revenge in Georgia still has the power to fascinate Intense suspenseful The Washington Post Book World In 1913 13 year old Mary Phagan was found brutally murdered in the basement of the Atlanta pencil factory where she worked The factory manager a college educated Jew named Leo Frank was arrested tried and convicted in a trial that seized national headlines When the governor commuted his death sentence Frank was kidnapped and lynched by a group of prominent local citizens Steve Oney's acclaimed account re-creates the entire story for the first time from the police investigations to the gripping trial to the brutal lynching and its aftermath Oney vividly renders Atlanta a city enjoying newfound prosperity a half century after the Civil War but still rife with barely hidden prejudices and resentments He introduces a Dickensian pageant of characters including zealous policemen intrepid reporters Frank's martyred wife and a fiery populist who manipulated local anger at Northern newspapers that pushed for Frank's exoneration **The Man Who Sold America** Jeffrey L.
