Hands Across The Sea Brian Cook, 2015-01-19 What happens when real talk gets a little too real? That's the 800 lb gorilla confronting the Office of the Sheriff. This character-driven saga puts the rear echelon in the crosshairs as *Hands Across the Sea* delves into the professional and personal sides of the badge where the rubber meets the road. The Office of the Sheriff, known as the Agency, comes face-to-face with the unexpected: the changing of the guard. Their larger-than-life Sheriff Garrison Cottrell abruptly resigns and passes the torch to his hand-picked successor, Brendan Callaghan. Explore how the Command staff's isms intertwine with their leadership styles and come to light during kaleidoscopic situations. Gear up for what happens when the door shuts and the dialogue begins, and sometimes not in that order. Will it bring the Agency together or tear it apart? Brian Cook doesn't just peer back the curtain; he pulls it down and gives you a look into personalities that often take on the guise of Peyton Place. But we're still talking about professionals, right?
