

Animal Farm Chapter 1 – Summary

- Mr. Jones, the owner of Manor Farm, goes to bed without locking the barn.
- All the farm animals, except Moses, Mr. Jones' raven, meet in the barn to hear a speech by Old Major.
- Major thinks he's dying, and he wants to share his wisdom with the other animals.
- He compares the animals' lives to slavery and says that it's all because of the way the humans treat them.
- Old Major shares a dream he had of a world in which animals are free, happy, well fed, and treated with dignity.
- He encourages the animals to join together as comrades (friends) against the humans and to start a rebellion.
- Major tells the animals that anyone who walks on two legs is an enemy and those with four legs or wings are friends.
- He also tells them that they must never be like the humans, so they should never live in a house, sleep in a bed, wear clothes, drink alcohol, smoke tobacco, touch money, engage in trade (business), or treat another animal in a negative way.
- Old Major teaches the animals a song, *Beasts of England*.
- They sing and make so much noise, they wake up Farmer Jones.
- He assumes there is a fox in the barn and fires a shot into the side of the barn.
- The animals go to sleep.
