The authors were not amateurs dabbling in detection but professional writers who helped define the genre and competed with men often to greater success. *Pistols and Petticoats* tells the story of women's very early place in crime fiction and their public crusade to transform policing. Most women refused to let that stop them paving the way to a modern professional life for women on the force and in popular culture.

What Columbus Found Jane Kurtz, 2007-09-11 A rhyming illustrated story about how Columbus found America along with the pumpkins that we grow and bake into pies today. *The Reserve Marine*, 1962. *One Child Reading* Margaret Mackey, 2016-03-31 In *One Child Reading* Margaret Mackey makes a singular contribution to our understanding of reading and literacy development. Seeking a deeper sense of what happens when we read she revisited the texts she read, viewed, listened to and wrote as she became literate in the 1950s and 1960s in St John's Newfoundland. This tremendous sweep of reading included school texts, knitting patterns, musical scores and games as well as hundreds of books. The result is not a memoir but rather a deftly theorised exploration of how a reader is constructed.

A Less Than Perfect Beginning Diane L. Huffman, 2014-03 During Beth Stedman's formative years in the late 1940s and early 1950s she wonders if the families depicted on the weekly television shows *Leave It to Beaver*, *Father Knows Best*, *The Donna Reed Show* existed in real life. The fathers in the sitcoms had good paying jobs. The mothers stayed home and vacuumed in dresses and high heels. The brothers and sisters were respectful and obedient. They lived in perfect harmony in perfect houses in perfect suburbs. Once she was old enough to visit friends she realized that other families do in fact resemble those blissful television portrayals. But hers certainly doesn't. Growing up in her deranged East Coast household Beth feels like an outsider but a grateful outsider because her family is riddled with alcoholism, poverty and an abundance of insanity. Beth has her defenses though her faith, a positive attitude and a penchant for putting a comedic spin on life. She also harbors a secret escape plan and eventually the knowledge as to why she has always been the black sheep of the family. Beth survives a deadbeat dad, a defeated mom, an overindulged sister and a villainous brother to demonstrate that the School of Hard Knocks doesn't have to ruin you for life. If fact it can almost guarantee success.
