Jeff VanderMeer, 2014-04-28 The much anticipated second instalment in VanderMeer's Southern Reach trilogy In *Annihilation* Jeff VanderMeer introduced the mysteries of Area X a remote and lush terrain mysteriously sequestered from civilization It was the first volume of a projected trilogy well in advance of publication translation rights had sold all around the world and a major movie deal had been struck Just months later the second volume is here For thirty years the only human engagement with Area X has taken the form of a series of expeditions monitored by a secret agency called the Southern Reach After the disastrous twelfth expedition chronicled in *Annihilation* the Southern Reach is in disarray and John

Rodriguez aka Control is the team's newly appointed head. From a series of interrogations, a cache of hidden notes and hours of profoundly troubling video footage, the secrets of Area X begin to reveal themselves, and what they expose pushes Control to confront disturbing truths about both himself and the agency he's promised to serve.
