Alternative Reproductive Tactics Rui F. Oliveira, Michael Taborsky, H. Jane Brockmann, 2008-03-13 The study of alternative reproductive tactics the behavioural strategies used by individuals to increase their reproductive success is an evolutionary puzzle and one of great interest to researchers For instance why do some males guard both nest and eggs while others sneak into nests while pairs are spawning and fertilise those eggs The field offers a special opportunity to study the evolution and functional causes of phenotypic variation which is a general problem in the field of evolutionary biology By integrating both mechanistic psychological and evolutionary behavioural ecology perspectives and by covering a great diversity of species *Alternative Reproductive Tactics* addresses this integrated topic of longstanding interest bringing together a multitude of otherwise scattered information in an accessible form that is ideal for graduate students and researchers

The Family Novel in Russia and England, 1800-1880 Anna A. Berman, 2022 An in depth comparative analysis of the family novel as it developed as a genre in Russia and England during the course of the nineteenth century **Acting Out** Scotty Cade, 2014-09-24 After one very long tour of duty in Afghanistan and an honorable discharge from the USMC Elijah Preston comes home to nothing He barely scrapes up enough money for a cheap motel in Quantico Virginia with no money making opportunities in sight A chance encounter in a local Walmart finally gives Eli hope for employment Elijah is ready to sign on with Royce Mackey's proposition until he hears what's required Royce operates a gay military porn site and wants Eli as his next star never mind that Eli isn't gay Desperate and broke Eli grudgingly accepts Royce's offer and soon finds himself immersed in a strange new world Hamish Turner's been there before Taking Eli under his wing he teaches him everything he can about Royce's operation The two quickly become friends easing the way for their first scene together Awkward at first they both ease into it and find there is more of a connection between them than either expected Curious to see where their mutual attraction takes them they begin a relationship off screen But life gets complicated when a crazed fan of Hamish starts sending threatening letters demanding the scenes between the two men stop Or else **A Most Unconventional Courtship** Louise Allen, 2002 **Handbook of Marriage and the Family** Suzanne K. Steinmetz, Marvin B.

Sussman, 2013-11-11 The lucid straightforward Preface of this Handbook by the two editors and the comprehensive perspectives offered in the Introduction by one of them leave little for a Foreword to add It is therefore limited to two relevant but not intrinsically related points vis a vis research on marriage and the family in the interval since the first Handbook Christensen 1964 appeared namely the impact on this research of the politicization of the New Right and of the Feminist Enlightenment beginning in the mid sixties about the time of the first Handbook In the late 1930s Willard Waller noted Fifty years or more ago about 1890 most people had the greatest respect for the institution called the family and wished to learn nothing whatever about it Everything that concerned the life of men and women and their children was shrouded from the light Today much of that has been changed Gone is the concealment of the way in which life begins gone the irrational sanctity of the home The aura of sentiment which once protected the family from discussion clings to it no more We want to learn as much about it as we can and to understand it as thoroughly as possible for there is a rising recognition in America that vast numbers of its families are sick from internal frustrations and from external buffeting We are engaged in the process of

reconstructing our family institutions through criticism and discussion 1938 pp 3 4 *Courtship and Marriage in Victorian England* Jennifer Phegley, 2011-11-15 This book examines the popular publications of the Victorian period illuminating the intricacies of courtship and marriage from the differing perspectives of the working middle and upper classes In contemporary culture the near obsessive pursuit of love and monogamous bliss is considered normal as evidenced by a wide range of online dating sites television shows such as *Sex in the City* and *The Bachelorette* and an endless stream of Hollywood romantic comedies Ironically when it comes to love and marriage we still wrestle with many of the same emotional and social challenges as our 19th century predecessors did over 100 years ago *Courtship and Marriage in Victorian England* draws on little known conduct books letter writing manuals domestic guidebooks periodical articles letters and novels to reveal what the period equivalents of dating and tying the knot were like in the Victorian era By addressing topics such as the etiquette of introductions and home visits the roles of parents and chaperones the events of the London season model love letters and the specific challenges facing domestic servants seeking spouses author Jennifer Phegley provides a fascinating examination of British courtship and marriage rituals among the working middle and upper classes from the 1830s to the 1910s *Sips & Swipes: Tales of Love, Libations, and Drama* Spencer Whitelaw, *Sips Swipes Tales of Love Libations and Drama* delves into the exhilarating and tumultuous world of modern dating where the search for love intersects with the age of digital connectivity This captivating collection of stories navigates through the heart fluttering highs and heart wrenching lows experienced by a diverse cast of characters each trying to find their place in the romance spectrum From the cozy corners of dimly lit bars where love is often kindled over shared drinks to the endless swiping on dating apps where hope and despair dance in the palms of seeking hands these tales encapsulate the essence of seeking connection in today's world With each story readers are invited to explore the nuanced emotions and complex dynamics that define contemporary relationships Whether it's the story of a first date ignited by the shared love for a rare cocktail or the unraveling of a relationship under the weight of unmet expectations fueled by social media illusions *Sips Swipes* offers a mirror to the soul of modern love The collection not only highlights the influence of libations in loosening tongues and lowering guards allowing for authentic connections but also the drama that often follows when reality fails to match the curated images online Through a blend of humor heartache and hopeful endings *Sips Swipes* provides a multifaceted look at love in the era of instant gratification It's a toast to the beauty of fleeting moments the resilience required to navigate the swipe culture and the endless quest for love that despite the odds remains a fundamental human desire **Wrangling Wes** Jacquelin Thomas, 2014 *Lassoed by Love* What's a city girl like Lydia Emerson doing in Granger Montana Her movie actress boss has given her plenty of strange assignments before but this one trumps them all Lydia must win herself a cowboy And Wes Broward is not just any cowboy As the millionaire son of the renowned Broward ranching dynasty he is handsome and confident enough to be a movie star himself and he knows it Lydia uses all her L A savvy to land this bachelor at a cowboy

The Brontë Novels (Routledge Revivals) W. A. Craik, 2013-01-11 First published in 1968 this reissue of Dr Craik s critical appreciation of the completed novels of Charlotte Emily and Anne Bront is seminal for the way in which it shifts emphasis away from the Bront family biography towards a detailed critical analysis of the novels themselves Separate chapters are given to each of the seven novels The author s aims and techniques in each are assessed and Dr Craik shows what light the books throw on each other how they are related to the novels of the Bront s predecessors and how the Bront novels compare with their great contemporaries in the nineteenth century novel
