Daniel, 2017-12-01 Middle Grades Research Journal MGRJ is a refereed peer reviewed journal that publishes original studies providing both empirical and theoretical frameworks that focus on middle grades education A variety of articles are published quarterly in March June September and December of each volume year **Teaching 360 : Effective Learning Through the Imagination** , 2008-01-01 This book offers a detailed examination of imagination in learning Teachers working with the ideas of Imaginative Education in their classrooms provide examples that cover multiple curricular areas and span elementary through secondary school contexts Imagination has moved in recent years from being considered some kind of educational frill to a recognized main workhorse of teaching and learning It is this new perspective that this book celebrates and exemplifies The book is divided between teachers and researchers voices both exploring a range of ways in which the imagination can be used in everyday classrooms to enhance learning and increase the satisfactions of teaching This book demonstrates how engaging the imagination lies at the core of effective education Plays for Children and Young Adults Rashelle S. Karp, June H. Schlessinger, 1991 *Egyptian Students and Politics beyond Protest* Farah Ramzy, 2025-02-10 This book examines how the evolution of higher education in Egypt affects students and student politics It aims to look beyond the historical representations of the student movement as protests for national and regional causes in order to account for the impact of the socio economic shift in the 1990s the revolution in 2011 and the restrictive context post 2013 Egyptian Students and Politics beyond Protest uncovers the diverse locations where politics emerge among students such as student unions partisan student organizations student

clubs and associations including simulation models in addition to activist groups The book draws on interviews conducted in Egypt between 2013 and 2015 with members of these groups and ethnographic observation of their activities As students collectively and individually negotiate the scope of their political activities and the meanings they attribute to these activities the resulting student politics are not only diverse but also unexpected [Catalog of Copyright Entries](#) Library of Congress. transportation architecture and more **Reframing Randolph** Andrew E. Kersten, Clarence Lang, 2015-01-09 At one time Asa Philip Randolph 1889 1979 was a household name As president of the all black Brotherhood of Sleeping Car Porters BSCP he was an embodiment of America s multifaceted radical tradition a leading spokesman for Black America and a potent symbol of trade unionism and civil rights agitation for nearly half a century But with the dissolution of the BSCP in the 1970s the assaults waged against organized labor in the 1980s and the overall silencing of labor history in U S popular discourse he has been largely forgotten among large segments of the general public before whom he once loomed so large Historians however have not only continued to focus on Randolph himself but his role either direct or via his legacy in a wide range of social political cultural and even religious milieu and movements The authors of Reframing Randolph have taken Randolph s dusty portrait down from the wall to reexamine and reframe it allowing scholars to regard him in new and often competing lights This collection of essays gathers for the very first time many genres of perspectives on Randolph Featuring both established and emergent intellectual voices this project seeks to avoid both hagiography and blanket condemnation alike The contributors represent the diverse ways that historians have approached the importance of his long and complex career in the main political social and cultural currents of twentieth century African American specifically and twentieth century U S history overall The central goal of Reframing Randolph is to achieve a combination of synthetic and critical reappraisal
