Christian Sia Eileen Sheehan's book reminded me of some of the compelling elements in J K Rowling's Harry Potter series. She has combined the awe inspiring magic of the Harry Potter world with the dazzling beauty of the physical landscapes of The Lord of the Rings delighting fans of the genre with exciting imagery and an irresistible world. The characterization is stellar and I was particularly intrigued by Mila exploring her inner world and her bond with Astra. The impeccable worldbuilding plunges you into a world of magic and mystery. At the same time the skillfully crafted premonitions create the suspense that keeps you turning the pages. I greatly enjoyed Mila from the exquisite writing to the fully drawn characters and plot propelling conflict. I look forward to the next book in the series. From Readers Favorite 5 Star award. By K C Finn. Author Eileen Sheehan knows how to pack magic into every tiny detail and new surprise of this story that captures the imagination and the heart from the very first page. The best way to describe this novel is wide eyed wonder as readers follow Mila with that same expression of enthusiastic discovery. She's certainly a courageous heroine you'll root for all the way through. Sheehan does a great job with dialogue and close personal narration to let us into Mila's struggles so that we sympathize with her plight but there's also a lot of love, laughter and joy. It's refreshing to read a fantasy that is so full of happy moments despite the magic and danger occurring and fans of unicorn lore and epic fantasy will find Mila utterly enchanting. Some quite powerful themes build subtly and come through very strongly at the end. At its heart there is a thoughtful and lyrical story about loyalty, legacy and the cost of truth in a magical world. Overall I would certainly recommend Mila to fans of brilliantly penned fantasy fiction.

Caught: A Vampire Blood Courtesans Romance Julia

Mills, 2025-10-29. I stole to save dying children. He offered to save me. The price? Everything I knew stealing was wrong but forgotten children were dying and I could help them. For a few perfect weeks I was their angel of mercy. Then I got caught. Now I'm facing prison, a ruined career and the loss of everything I've worked for unless I accept help from the one person who can make it all disappear. A cold calculating vampire who wants something in return. My freedom. My body. My complete surrender to a world where blood is currency and sex is the ultimate transaction. He wants me to be his Blood Courtesan. He says it's just business. The Vampires aren't about love, they're about survival, power and perfectly negotiated arrangements. But when his icy control starts to crack and my carefully guarded heart begins to thaw suddenly the most dangerous thing isn't the secret I'm keeping, it's falling for a vampire who claims he doesn't have a heart to give. Some prices are paid in blood. Others are paid in something far more dangerous.
