But when a psychotic serial killer unleashes a rampage murdering young women across the city, Ava will have to search the dark canals of the twisted killer's mind if she has any hope of hunting him down. With psychological profiling still in its infancy and mocked by most, Ava will be even more alone as she follows her instinct and hunts him down in a dangerous game of cat and mouse. Just when it seems the stakes couldn't be higher, Ava comes to an awful realization: she herself may be the next target.
