Beware! Filipa Antunes,2020-01-17 How does a culture respond when the limits of childhood become uncertain The emergence of pre adolescence in the 1980s which is signified by the new PG 13 rating for film disrupted the established boundaries between childhood and adulthood The concept of pre adolescence affected not only America s pillar ideals of family and childhood innocence but also the very foundation of the horror genre s identity its association with maturity and exclusivity Cultural disputes over the limits of childhood and horror were explicitly articulated in the children s horror trend 1980 1997 a cluster of child oriented horror titles in film and other media which included Gremlins The Gate the Goosebumps series and others As the first serious analysis of the children s horror trend with a focus on the significance of ratings this book provides a complete chart of its development while presenting it as a document of American culture s adaptation to pre

adolescence Each important children s horror title corresponds to a key moment of ideological negotiation cultural power struggles and industrial compromise *Prentice Hall Choices in Literature* ,1997 The me you see Where paths meet Deciding what s right You are the solution Communication explosion Ovid: A LEGAMUS Transitional Reader Caroline A. Perkins,Denise Davis-Henry,2008-01-01 This reader contains selections from Ovid designed for students moving from elementary or intermediate Latin into reading the authentic Latin of Ovid Passages are accompanied by pre reading materials grammatical exercises complete vocabulary notes designed for reading comprehension and other reading aides Introductory materials including a section on the life of Ovid and illustrations are included *Reading by Starlight* Damien Broderick,2005-06-29 Reading by Starlight explores the characteristics in the writing marketing and reception of science fiction which distinguish it as a genre Damien Broderick explores the postmodern self referentiality of the sci fi narrative its intricate coded language and discursive encyclopaedia He shows how for perfect understanding sci fi readers must learn the codes of these imaginary worlds and vocabularies all the time picking up references to texts by other writers Reading by Starlight includes close readings of paradigmatic cyberpunk texts and writings by SF novelists and theorists including Isaac Asimov Arthur C Clarke Brian Aldiss Patrick Parrinder Kim Stanley Robinson John Varley Roger Zelazny William Gibson Fredric Jameson and Samuel R Delaney *Literature for Young Adults* Joan L. Knickerbocker,2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout Literature for Young Adults have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they re reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters Literature for Young Adults includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book s discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading **Glencoe Literature** ,2001 State adopted textbook 2001 2007 Grade 7 **Teaching World Epics** Jo Ann Cavallo,2023-07-27 Cultures across the globe have embraced epics stories of memorable deeds by heroic characters whose actions have significant consequences for their lives and their communities Incorporating narrative elements also found in sacred history chronicle saga legend romance myth folklore and the novel epics throughout history have both animated the imagination and encouraged reflection on what it
