English for the first time this classic and influential book by the late Kohei Ohtsu presents real examples of ships in motion under irregular ocean waves how to understand the characteristics of fluctuations of stochastic phenomena through spectral analysis methods and statistical modeling It also explains how to realize prediction and optimal control based on time series models In recent years the need to improve safety and reduce environmental impact in ship operations has been increasing and the statistical methods presented in this book will be increasingly needed in the future In addition the recent development of innovative AI technology and highspeed communications will make it possible to adapt this method not only to ship monitoring and control but also to any field that involves irregular fluctuations and it is expected to contribute to solving issues that have been difficult to solve in the past Part 1 describes classical spectral method for the analysis of stochastic phenomena In Part 2 this book explains methods to construct time series models using the information criterion to capture the characteristics of ship and engine motions using the model to design a model based monitoring system that informs navigators operating the ship and managers ashore Furthermore it explains statistical control method to design an autopilot system and the governor of a marine engine while showing actual examples Part 3 presents the basic knowledge necessary for understanding these topics of the book namely the basic theory of ship motion probability and statistics Kalman filter and statistical optimal control theory **Hebrew-English Edition of the Babylonian Talmud: Yebamoth** Isidore Epstein,1965

Madame Chiang Kai-shek Laura Tyson Li,2018-11-20 The first biography of one of the most controversial and fascinating women of the twentieth century Beautiful brilliant and captivating Madame Chiang Kai shek seized unprecedented power during China s long and violent civil war She passionately argued against Chinese Communism in the international arena and influenced decades of Sino American relations and modern Chinese history Raised in one of China s most powerful families and educated at Wellesley College Soong Mayling went on to become wife chief adviser interpreter and propagandist to Nationalist leader Generalissimo Chiang Kai shek She sparred with international leaders like Churchill and Roosevelt and impressed Westerners and Chinese alike with her acumen charm and glamour But she was also decried as a manipulative Dragon Lady and despised for living in American style splendor while Chinese citizens suffered under her husband s brutal oppression The result of years of extensive research in the United States and abroad and written with access to previously classified CIA and diplomatic files Madame Chiang Kai shek objectively evaluates one of the most powerful and fascinating women of the twentieth century Li brilliantly analyzes a fearless and profoundly conflicted woman of extraordinary force Booklist **Thomas Carlyle** James Anthony Froude,1884 [Women Writers in Postsocialist China](#) Kay Schaffer,Xianlin Song,2013-07-31 What does it mean to read from elsewhere Women Writers in Postsocialist China introduces readers to a range and variety of contemporary Chinese women s writing which has seen phenomenal growth in recent years The book addresses the different ways women s issues are understood in China and the West attending to the processes of translation adaptation and the grafting of new ideas with existing Chinese understandings of gender feminism

subjectivity consumerism and post modernism By focusing on women s autobiographical biographical fictional and historical writing the book engages in a transcultural flow of ideas between western and indigenous Chinese feminisms Taking account of the accretions of social cultural geographic literary economic and political movements and trends cultural formations and ways of thinking it asks how the texts and the concepts they negotiate might be understood in the social and cultural spaces within China and how they might be interpreted differently elsewhere in the global locations in which they circulate The book argues that women centred writing in China has a direct bearing on global feminist theory and practice This critical study of selected genres and writers highlights the shifts in feminist perspectives within contemporary local and global cultural
