An Uncertain Faith:

Uncertain Faith Potts Allie, 2014 Czesław Miłosz's Faith in the Flesh Stanley Bill, 2021 A study of the writings of Polish laureate Czeslaw Milosz s that focuses on the poet s attempts to recover perspectives on transcendence and religious belief in a secular age through creative engagement with sensual or material experience **Reflections upon modern fanaticism. In two letters to Dr Brett and the author of a late pamphlet ... intitled Mr Leslie's defence from some dangerous and erroneous principles** Matthias EARBERRY, 1720 **The Sermons and other practical works of R. E., ... besides his poetical pieces. To which is prefixed, a short account of the author's life and writings by J. Fisher. Edited by J. Newlands** Ralph Erskine, 1821 **The Writings of Cyprian, Bishop of Carthage** Anonymous, 2024-04-07 Reprint of the original first published in 1882 *The Writings* Thascius Caecilius Cyprianus, 1868 *The Writings of Cyprian, Bishop of Carthage* Saint Cyprian (Bishop of Carthage.), 1868 **Living Words** Terence J. Martin, 1998 In particular Martin commends the habit of critical thinking an appreciation for irony and an irenic approach to opposition as helpful stances for improving people s efforts to talk about religion In addressing rhetorical and hermeneutical issues commonly found in philosophical theology and the philosophy of religion this work s approach through the genre of dialogue will interest those concerned with the intersection of religion and literature **Religion Italian Style** Franco Garelli, 2016-04-08 Italy s traditional subcultures Communist Socialist Liberal Republican Right wing have largely dissolved and yet Catholics have retained their vitality and solidity How can the vast majority of Italians continue to maintain some connection with Catholicism How much is the Italian situation influenced by the closeness of the Vatican Examining the religious condition of contemporary Italy Religion Italian Style argues that the relationship between religion and society in Italy has unique characteristics when compared with what is happening in other European Catholic Countries Exploring key topics and religious trends which question how the population feel from the laity and the role of religions in the public sphere to moral debates forms of religious pluralism and new spiritualities this book questions how these affect religious life and how intricately religion is interwoven with the nation s fabric and the dynamics of the whole society *"God is Love." A sermon [on 1 John iv. 16], etc* Henry O. SHELDON, 1842 A Vindication of the Discipline and Constitutions of the Church of Scotland Thomas Walker, 1774 A vindication of the discipline and constitutions of the Church of Scotland for preserving purity of doctrine. In reply to a book intitled The Religious Establishment in Scotland examined upon protestant principles Thomas WALKER (Minister of Dundonald.), 1774 **The Sacred Writings of Saint Cyprian** Saint Cyprian, The Bishop of Carthage one of the most illustrious in the early history of the church and one of the most notable of its early martyrs was born about the year 200 probably at Carthage He was of patrician family wealthy highly educated and for some time occupied as a teacher of rhetoric at Carthage Of an enthusiastic temperament accomplished in classical literature he seems while a pagan to have courted discussion with the converts to Christianity Confident in his own powers he entered ardently

into what was no doubt the great question of the time at Carthage as elsewhere He sought to vanquish but was himself vanquished by the new religious force which was making such rapid inroads on the decaying paganism of the Roman empire Caecilianus or Caecilius a presbyter of Carthage is supposed to have been the instrument of his conversion which seems to have taken place about 246 This edition contains all 82 epistles that the Bishop of Carthage wrote as well as a big selection of his treatises

From Billiard Balls to Bishops Kenneth Alan Miles, 2023-04-18 Radiology professor Ken Miles takes a detailed look at what happens inside the brains and bodies of churchgoers when they are worshipping Rather than concluding that the words and actions performed during a church service are tricks which help to transmit false beliefs he found that his appreciation of Christian worship was increased and his faith strengthened Using scientific principles Ken refutes the notion that science is incompatible with faith and undermines common criticisms of religious belief He builds a case for worship by drawing on the methods of evidence based medicine to argue that experiences of God are worthy of inclusion in serious theorizing A woman with a fever and a doctor with a blocked stethoscope are just two of the real and imaginary medical scenarios used to explain key concepts Worship narratives actions and environment are shown to be fundamental to the way God is experienced and to the changes in behavior these encounters produce Rather than being historical quirks patterns of worship have developed over the centuries through trial and error with successful elements preserved Science can now show why they are effective Regardless of belief or background readers will see Christian worship in a new light

The Sacred Writings of Saint Athanasius St. Athanasius, Athanasius was the greatest champion of Catholic belief on the subject of the Incarnation that the Church has ever known and in his lifetime earned the characteristic title of Father of Orthodoxy by which he has been distinguished every since This book contains almost 700 pages with his most essential writings as well as valuable introductions to them

Athanasius* ,1843 **Kierkegaard, Religion, and Existence** Abraham Sagi,2000 This book is an original philosophic exploration of the meaning of Kierkegaard's life his thought and his works It makes a bold case for Kierkegaard's recognition of the concrete existence of the individual including Kierkegaard himself as crucial to the spiritual life Written with delicate insight and beautifully translated from Hebrew this work offers valuable new turns to understanding the puzzling life work of a modern giant of spiritual reflection In Defense of Religious Moderation William Egginton,2011 William Egginton laments the current debate over religion in America in which religious fundamentalists have set the tone of political discourse no one can get elected without advertising a personal relation to God for example and prominent atheists treat religious belief as the root of all evil Neither of these positions Egginton argues adequately represents the attitudes of a majority of Americans who while identifying as Christian Jewish or Muslim do not find fault with those who support different faiths and philosophies In fact Egginton goes so far as to question whether fundamentalists and atheists truly oppose each other united as they are in their commitment to a code of codes Fundamentalists and stringent atheists unconsciously believe that the methods we use to understand the world are all versions of an underlying master code This code of codes represents an ultimate truth explaining everything The moderately religious with their inherent skepticism toward a master code are best suited to protect science politics and other diverse strains of knowledge from fundamentalist attack and to promote a worldview based on the compatibility between religious faith and scientific method
