Wesley, Queering the Church Keegan Osinski, 2021-07-09 Fifty years after Stonewall the experiences of LGBTQ Christians are rightfully beginning to be received with interest by their churches Queering Wesley Queering the Church presents a prototype for thinking about Wesleyan holiness as an expansive openness to the love and grace of God in queer Christian lives rather than the limiting and restrictive legalism that is sometimes found in Wesleyan theology and praxis This inventive project consists of queer readings of ten John Wesley sermons Reading these sermons from a queer perspective offers the church a fresh paradigm for theological innovation while remaining in line with the tradition and legacy of Wesley that is so central and generative to Wesleyan churches Arguing that a coherent line of thought can be drawn from Wesley's conception of holiness to the queer holy lives of LGBTQ Christians Queering Wesley Queering the Church playfully utilizes queer theory in a way that is fully compatible with Wesleyan teaching This book aims to be a first step in seriously considering the theological voices of LGBTQ Christians in the Wesleyan tradition as a valuable asset to a vital church Transformative Fictions Daniel Just, 2022-07-27 Transformative Fictions World Literature and Personal Change engages with current debates in world literature over the past twenty years addressing the nature of literary influence in centers and peripheries the formation of transnational literary and pedagogical canons and the role of translation and regionalism in how we relate to texts from around the globe The author Daniel Just argues for a supranational but sub global perspective of regions that emphasizes practical reasons for reading and focuses on the potential of literary texts to stimulate personal transformation in readers One of the recurring dilemmas in these debates is the issue of delimitation of world literature The trouble with the world as a frame of reference is that no single researcher is bound to have the in depth knowledge and linguistic skills to discuss works from all countries In response this book revives literary theory and recasts it for the purposes of world literature by making a case for the continuing relevance of literature in the age of new media With the examples of fictional and nonfictional writings by Milan Kundera Witold Gombrowicz and Bohumil Hrabal Just shows that regional literatures offer differing methods of activating readers and thereby prompting personal change This book would be of general interest to anyone who wants to explore personal change through literature but is particularly indispensable for literary professionals researchers and postgraduate and graduate students **Princeton Alumni Weekly**, 2008 **Children of the Healer** Barbara Ann Wright, 2018-02-13 With the Storm Lord dead Cordelia Ross and Simon Lazlo return to Gale to normality but when they find the populace poisoned by the drushka it's clear the aliens must be dealt with before life can be anything near normal In the north Patricia Du takes control of Gale's mine with Jonah the servant she created in Dillon Tracey's old body She thinks controlling the humans only source of metal will bring her power but her past won't be banished so easily Amidst the chaos and conflict a prophet predicts that true calamity is still to come and the only way to stop it may be a murderous widow looking for revenge As factions splinter and reconnect the fate of Calamity lies uncertain and even the prophets can't see every ripple on the horizon **Hell Fire** Ali Vali, 2018-02-13 Dr Abigail Eaton stumbles into a massacre but once

someone tries to kill her it seems like no accident While hunting for the perpetrators of a sex trafficking empire Agent Riley Abbott saves Abigail from a professional hit and discovers the young mother might be the key to more than just her case Riley takes Abigail and her family to what she thinks is safer ground and runs right into the arms of reputed mob boss Cain Casey *Helplessly Hers* Radclyffe,2018-02-13 Two women take their edgy sex public the combination of being watched being envied and being helpless in the hands of a domineering lover ups the heat factor into the too hot to handle zone Previously published in Radical Encounters Bold Strokes Books 2009 [A Waltz With Isabelle](#) Nina Jarrett,2024-09-25 Originally published in The Grand Mistletoe Assembly this stand alone novella now features an all new prologue and epilogue A woman with a secret A second son with no connections Will they find a way to share a dance before they are parted for the holidays High society s rules make it impossible to meet Is their love doomed to remain a scandalous secret She is his perfect woman in every way except social standing While Cameron is determined to find someone to formally introduce them before they are forced apart for the holidays Isabelle scrambles to find an honorable solution for their hidden romance With Christmas quickly approaching will they finally begin their public courtship during the most wonderful time of the year or will duty stand in their way A tale of etiquette expectations and enduring passion What Readers Are Saying A quick enjoyable read Shopper in WI Respect love and a building passion make this a charming read Carmel Z A lovely story with a mixture of sweetness romance with a bit of spice Julie A Can be read as a standalone story or as part of the Inconvenient Brides series of steamy Regency romance books *Scottish Werebear: Books 1-3* Lorelei Moone,1900 Their love can change the world The shifters of present day Scotland have lived alongside humans for generations In secret But sometimes hiding your true nature can backfire Especially in matters of the heart So when one reclusive werebear decides to follow his heart and take a most unexpected mate a human his choices affect everyone Every shifter Every human And even their sworn enemies Love can melt even the gruffest werebear heart These are their stories Paranormal romance readers and especially fans of Milly Taiden Terry Bolryder Harmony Raines and Zoe Chant love this series Each book features a different fated couple with their own happy ending as well as sizzling suspense irresistible attraction and warm fuzzy feels Contains An Unexpected Affair A Dangerous Business and A Forbidden Love An Unexpected Affair Romance novelist Clarice must finish her book Unfortunately she no longer believes in love Until she meets man of few words Derek who runs the place Worlds stand between them but the heart wants what it wants A Dangerous Business As part of the Alliance bear shifter Aidan McMillan hunts the Sons of Domnall a secret society of humans sworn to destroy all shifters Along comes werewolf Heidi Blackwood his fated mate and it suddenly becomes impossible to focus on the job A Forbidden Love Alison Campbell knows that shifters are evil and must be destroyed In her efforts to infiltrate the Alliance on behalf of the Sons of Domnall she meets Jamie Abbott bear shifter and Alliance leader He steals her heart and she no longer knows what to believe
