Anatomy Of A Disappearance:

Anatomy of a Disappearance Hisham Matar, 2011-03-03 Nuri is a young boy when his mother dies. It seems that nothing will fill the emptiness that her strange death leaves behind in the Cairo apartment he shares with his father. Until Mona. When Nuri first sees Mona sitting in her bright yellow swimsuit by the pool of the Magda Marina holiday resort, the rest of the world vanishes. But it is Nuri's father with whom Mona falls in love and who she will eventually marry. And their happiness consumes Nuri to the point where he longs to get his father out of the way. However, Nuri will soon regret what he wished for. And as he and his stepmother's world is shattered by events beyond their control, they both begin to realise how little they really knew about the man they loved. In a voice that is delicately wrought and beautifully tender, Hisham Matar asks in his extraordinary new novel: when a loved one disappears, how does their absence shape the lives of those who are left?

Anatomy of a Disappearance Hisham Matar, 2012 In Egypt, Nuri, a teenage boy, falls in love with Mona, the woman his father will marry. Consumed with longing, Nuri wants to get his father out of the way to take his place in Mona's heart. But when his father disappears, Nuri regrets what he wished for. Alone, he and Mona search desperately for the man they both love. Only for Nuri to discover a silence he cannot break and unimaginable secrets his father never wanted him to know.
