Reading the Cozy Mystery Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that Columbo fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye Hollywood Scandals Gemma Halliday, 2015-02-19 From 1 Amazon New York Times USA Today bestselling author Gemma Halliday comes a female reporter with a stalker a hot bodyguard with a problem a dead body a little romance and a lot of laughs Tina Bender is the gossip columnist at the infamous L A Informer tabloid She knows everything about everyone who's anyone And she's not afraid to print it That is until she receives a threatening note promising If you don't stop writing about me you're dead Suddenly finding out who's who in Hollywood has become a dangerous game of cat and mouse one that Tina can't afford to lose Now not only is Tina being benched by her managing editor Felix Dunn from the High Heels Mysteries and saddled with a hot bodyguard crimping her style but she's also fighting a bubbly blonde newbie reporter for her own story Add in a crew of eclectic tabloid reporters an adventurous octogenarian aunt one hilariously hapless trip to the happiest place on earth and an online romance heating up her life and Tina has her work cut out for her uncovering which tabloid darling wants her cancelled for good Is it the spoiled tween TV show starlet with secret Pippi Mississippi The raging rock star in rehab with a temper Or the movie producer on trial for inappropriate advances All Tina knows is that when the threats turn into an actual dead body the clock is ticking to find out which juicy piece of Hollywood gossip is worth killing over before she becomes its next victim RITA AWARD NOMINEE What critics are saying This first book in Halliday's new Hollywood Headlines series is a fun story with intriguing characters and a good mystery The action is fast paced the hero is delightful and the heroine is spunky and independent but smart enough to know when she needs help RT Book Reviews Fresh funny and has just enough heart to balance the snark All About Romance Gemma Halliday's witty entertaining writing style shines through in her new book I look forward to seeing lots more of Tina as this series continues A fun read Fresh Fiction **Hollywood Homicide** Gemma Halliday, Anne Marie Stoddard, 2018-05-08 From New York Times bestselling author Gemma Halliday comes a reality show turned true crime drama Can one undercover tabloid reporter catch the celebrity killer Cameron Dakota photographer and paparazzo for the L A Informer tabloid thinks her relationship with movie star Trace Brody is her very own Hollywood happily ever after That is until Trace proposes that the couple go on the reality TV show Celebrity Relationship Rehab While

Trace assures her that it's just for publicity and all the arguments are faked. Cam has her reservations. Reservations that prove to be well founded when the host of the reality show winds up dead and Cam suddenly finds herself in the middle of a real life crime drama. Cam knows the police are on the wrong trail and when the producers make the decision to keep filming despite the murder it's up to her to ferret out the killer in their midst. Between a rap star with a reputation for violence, an aging soap opera actor with a hidden past, a Kardashian wanna be and the show's co host and not so grieving widow there are no shortage of people who would want the victim dead. Trapped in a house full of over the top suspects forced into doing ridiculously hilarious relationship saving drills and with her every move watched by dozens of hidden cameras, Cam works to catch the story of her career and a cold blooded killer before she finds herself canceled permanently. What critics are saying: The latest in the Hollywood Headlines series is 320 pages of pure fun. Halliday has created yet another laugh out loud whodunit.
