Global Trend Urban Fantasy:

The Palgrave Handbook of Global Fantasy Elana Gomel, Danielle Gurevitch, 2023-06-07 This handbook is the first of its kind comprehensive overview of fantasy outside the Anglo American hegemony While most academic studies of fantasy follow the well trodden path of focusing on Tolkien Rowling and others our collection spotlights rich and unique fantasy literatures in India Australia Italy Greece Poland Russia China and many other areas of Europe Asia and the global South The first part focuses on the theoretical aspects of fantasy broadening and modifying existing definitions to accommodate the global reach of the genre The second part contains essays illuminating specific cultures countries and religious or ethnic traditions From Aboriginal myths to self representation of Tibet from the appropriation of the Polish Witcher by the American pop culture to modern Greek fantasy that does not rely on stories of Olympian deities and from Israeli vampires to Talmudic sages this collection is an indispensable reading for anyone interested in fantasy fiction and global literature Medievalisms in a Global Age Angela Jane Weisl, Robert Squillace, 2024 Discusses contemporary medievalism in studies ranging from Brazil to West Africa from Manila to New York Across the world revivals of medieval practices images and tales flourish as never before The essays collected here informed by approaches from Global Studies and the critical discourse on the concept of a Global Middle Ages explore the many facets of contemporary medievalism post colonial responses to the enforced dissemination of Western medievalisms attempts to retrieve pre modern cultural traditions that were interrupted by colonialism the tentative forging of a global medieval imaginary from the world s repository of magical tales and figures and the deployment across borders of medieval imagery for political purposes The volume is divided into two sections dealing with Local Spaces and Global Geographies The contributions in the first consider a variety of medievalisms tied to particular places across a broad geography but as part of a larger transnational medievalist dynamic Those in the second focus on explicitly globalist medievalist phenomena whether concerning the projection of a particular medievalist trope across borders or the integration of medieval pasts from different parts of the globe in a contemporary incarnation of medievalism A wide range of topics are addressed from Japanese manga and Arthurian tales to The O Trilogy of Maurice Gee Camus and Dungeons and Dragons Urban Tunnels Role Benjamin Ramirez, AI, 2025-02-26 Urban Tunnels Role explores the hidden world of underground infrastructure and its vital role in modern cities This book highlights how urban tunnels support essential utilities like water and electricity and transportation systems such as subways impacting urban development resilience and sustainability Intriguingly underground infrastructure has evolved alongside urban development initially serving basic sanitation needs and expanding to meet current challenges like population density and climate change The book emphasizes the importance of tunnels for efficient utility distribution and transportation networks It examines geological considerations excavation techniques and structural engineering principles providing a comprehensive understanding of tunnel construction By understanding these subterranean networks cities can optimize resource allocation

and minimize environmental impact Beginning with the historical development of urban tunneling the book progresses through utility and transportation aspects featuring global case studies of successful tunnel implementation It concludes by exploring future trends like smart tunnels showcasing how advanced monitoring systems contribute to smart city initiatives This approach ensures readers gain a holistic view of urban tunneling s role in shaping sustainable and resilient urban centers **The Urban Question in Africa** Padraig R. Carmody,James T. Murphy,Richard Grant,Francis Y.

Owusu,2023-10-09 Illuminates the path to more generative urban transitions in Africa s cities and developing rural areas Africa is the world s most rapidly urbanizing region The predominantly rural continent is currently undergoing an urban revolution unlike any other generally taking place without industrialization and often characterized by polarization poverty and fragmentation While many cities have experienced construction booms and real estate speculation others are marked by expanding informal economies and imploding infrastructures The Urban Question in Africa Uneven Geographies of Transition examines the imbalanced and contested nature of the ongoing urban transition of Africa Edited and authored by leading experts on the subject this unique volume develops an original theory conceptualizing cities as sociotechnical systems constituted by production consumption and infrastructure regimes Throughout the book in depth chapters address the impacts of current meta trends global geopolitical shifts economic changes the climate crisis and others on Africa s cities and the broader development of the continent Presents a novel framework based on extensive fieldwork in multiple countries and regions of the continent Examines geopolitical and socioeconomic topics such as manufacturing in African cities the green economy in Africa and the impact of China on urban Africa Discusses the prospects for generative urbanism to produce and sustain long term development in Africa Features high quality maps illustrations and photographs The Urban Question in Africa Uneven Geographies of Transition is essential reading for undergraduate and postgraduate students in geography urban planning and African studies academic researchers geographers urban planners and policymakers Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication Fong Peng Chew,2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic intersections of public relations and media in today s rapidly evolving landscape It has a repository of innovative research insightful discussions and emerging trends in digital media strategies crisis communication media ethics public relations in the age of social media and the impact of emerging technologies on media practices It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields With innovative research contributions and case studies from around the world this book will be instructive in shaping the way we look at the world of media and ourselves This is a highly useful guide for university professors research scholars writers journalists and media professionals who wish to stay updated on the recent shifts in public relations and media communication Research Handbook on Urban Sociology Miguel A. Martínez,2024-04-12 Emphasising the social critical

and situated dimensions of the urban this comprehensive Research Handbook presents a unique collection of theoretical and empirical perspectives on urban sociology Bringing together expert contributors from across the world it provides a rich overview and research agenda for contemporary urban sociological scholarship **Cities and Inequalities in a Global and Neoliberal World** Faranak Miraftab, David Wilson, Ken Salo, 2015-04-24 Cities continue to be key sites for the production and contestation of inequalities generated by an ongoing but troubled neoliberal project Neoliberalism's onslaught across the globe now shapes diverse inequalities poverty segregation racism social exclusion homelessness as city inhabitants feel the brunt of privatization state re organization and punishing social policy This book examines the relationship between persistent neoliberalism and the production and contestation of inequalities in cities across the world Case studies of current city realities reveal a richly place specific and generalizable neoliberal condition that further deepens the economic social and political relations that give rise to diverse inequalities Diverse cases also show how people struggle against a neoliberal ethos and hence the open endedness of futures in these cities *Cities And Urban Cultures* Stevenson, Deborah, 2003-04-01 Explores cities and urban life from the perspectives of both sociology and cultural theory Through an interdisciplinary approach the book demonstrates that the real city of physicality and struggle and the imagined city of representations are entwined in the construction of urban cultures Global Science Fiction Gary Westfahl, 2025-06-09 Science fiction represents a diverse community of writers and readers that spans the entire world This collection provides a global tour of the genre with essays about Latin American European African Arabic Indian Japanese and Chinese science fiction providing insights about how writers around the world have explored and reinvigorated the genre Essays by prominent critics from five continents inform about particular cultures and analyze representative texts by authors such as Tobias S Buckell Lourenco Mutarelli Stanislaw Lem Masande Ntshanga Tawfiq Al Hakim Anil Menon and Cixin Liu The contributing scholars examine how national experiences have shaped these narratives which often differ strikingly from Anglo American science fiction An introductory survey of foreign language science fiction in the United States endeavors to explain why so many of these texts have remained unknown to Anglophone readers An extensive bibliography lists numerous resources for further study of science fiction from various parts of the world **Literatures of Urban Possibility** Markku Salmela, Lieven Ameel, Jason Finch, 2021-05-21 This book demonstrates how city literature addresses questions of possibility In city literature ideas of possibility emerge primarily through two perspectives texts may focus on what is possible for cities and they may present the urban environment as a site of possibility for individuals or communities The volume combines reflections on urban possibility from a range of geographical and cultural contexts in addition to the English speaking world individual chapters analyse possible cities and possible urban lives in Turkey Israel Finland Germany Russia and Sweden Moreover by engaging with issues such as city planning mass housing gentrification informal settlements and translocal identities the book shows imaginative literature at work outlining what possibility means in cities
