I didn't choose to attend the Royal Academy, an elite school full of vicious Fae. I never wished for an arranged marriage to a nasty Shadow prince. I especially never wanted to meet Aidan Summers, the most beautiful man I've ever laid eyes on, the one who broke my heart beyond repair. He was the fire to my ice. Our relationship was forbidden and the fallout almost cost me my life. A century later I have it all: money, fame, power, but none of it matters. I'm still his. And when I receive an invitation to sing at his wedding, I can't resist the flames. Has he really forgotten about me? Or does he want to destroy what's left of my soul? This novel is a full length romantasy and is part of an interconnected series with a story arc spanning multiple books. Each book features a different romance and a new couple. It can be read first.
