Zimbabwe's Exodus Jonathan Crush, Daniel S. Tevera, 2010 Zimbabwe's Exodus Crisis Migration Survival is written by leading migration scholars many from the Zimbabwean diaspora. The book explores the relationship between Zimbabwe's economic and political crisis and migration as a survival strategy. *Sociology A-Level (ZIMSEC) Past Exam Questions and Model Answers* David Chitate, 2024-06-06 This book contains the most comprehensive question bank and model answers for ZIMSEC A Level exam questions. It also includes syllabus review notes and exercises. Examiners provide observations and tips and point out common errors that students make when answering questions. Best known for the Victoria Falls which leaves visitors awed by the world's largest curtain of falling water, Zimbabwe offers manifold other experiences for the intrepid traveller: from evocative wildlife to fascinating arts, jaw-dropping landscapes to astonishing World Heritage sites. Soak up the laid-back atmosphere of the capital Harare with its bustling arts scene and trendy restaurants or head to the mighty Zambezi River for fast-flowing adventure. Visit national parks that offer a variety of wildlife encounters, enjoy canoe-based game viewing at Mana Pools where African painted dog is a highlight or remote camping beside rare nyala antelope in the wilderness of Gonarezhou. Capitalise on the exciting revival of Matusadona which boasts one of Africa's highest densities of leopard or combine watching white and black rhinos with admiring the world's greatest concentration of ancient hunter-gatherer rock art at Matobo Hills. History buffs will marvel at Zimbabwe's plethora of historical and cultural sites, most famously the World Heritage-listed stone-built ancient cities of Great Zimbabwe and Khami, the latter once controlling a lucrative international trading empire. Birdwatchers meanwhile will delight in a trove of avian encounters, notably in Bunga's lush forests, one of Zimbabwe's best-kept secrets. With increased business confidence in Zimbabwe, scores of new hotels and lodges have opened, the country's national parks have been rejuvenated, its two main airports upgraded and major roads improved. Accommodation options comprise everything from luxury safari camps to budget stays for travellers who arrive overland, plus suggested pit stops to break up journeys. Written by a former resident of Zimbabwe, thoroughly updated by two seasoned adventurers and with a foreword by explorer Sir Ranulph Fiennes, Bradt's Zimbabwe remains an ideal companion for everyone from wildlife enthusiasts to adventure seekers and hikers, whether travelling independently or on an organised tour. New for this edition are a 64-page full-colour wildlife guide plus expanded coverage of Zambezi National Park, Matobo Hills and the surroundings of Harare and Bulawayo.
