2015 United Methodist Lectionary:

The United Methodist Music and Worship Planner, 2014-2015 David L. Bone, 2014 *The Seeds of Heaven*

Barbara Brown Taylor, 2016-07-28 Previously unpublished in the UK *The Seeds of Heaven* originated as a series of radio broadcasts reflecting on stories and events from Matthew's Gospel. In the skilled hands of Barbara Brown Taylor these each become stories of our own time resonating deeply with the hopes, fears, and questions of contemporary readers as she finds and then brings to life timeless truth in the words and on the pages of the Bible. However much the pressing questions of our shared public life change here is an attempt to speak the truth of the Christian faith in a way that honours both the holiness of scripture and the holiness of people's real lives here on earth. These timeless stories of seeds, weeds, doubt, risk, family, fights, shame, and glory will speak deeply to many readers and enable them to discover God's truth in their own lives.

Dussen, 2018-09-17 To read and visualize the transfiguration of Christ is to enter its mystery and encounter its hope. Like the Gospel writers and the disciples who climbed the mountain with Jesus, we struggle to tell the story and explain its meaning. Yet this astounding event reveals God's ultimate purpose in sending his Son: the complete restoration of humanity and all creation. Our transfiguration in Christ. The light and glory of that moment reveal a destiny that is infinite and eternal, made possible by the power of grace. Transfiguration is the trajectory and goal of our spiritual journey. Across time and space, Christians have reflected on the mystery and hope epitomized in the transfiguration, yet their voices have been heard primarily within their own cultural and ecclesiastical contexts. This study gathers many of those voices from the panorama of Scripture and church history and finds in them the common theme of radical transformation in Christ. The point of this theological conversation is spiritual transfiguration and hope for each of us as we reach toward the future. Christ has shown us in himself. *Preaching and Praying as Though God Matters* Ronald P. Byars, 2022-10-14 We in mainline churches are uneasy, maybe even scared. Why are our voices not heard? After all, we are the reasonable Christians, the updated Christians, the respectable ones who have dominated the cultural landscape since colonial times. This book presumes that trying to reverse the loss of our traditional status in society is both futile and beside the point. What's called for when we find ourselves in a state of crisis is to rediscover the big picture, the Christian hope projected on a large screen. This requires the courage to revisit the sources from which all Christian hope springs, rediscovering their life-giving power. That power rises from the counterintuitive affirmations of the gospel represented in Christ's incarnation, his healing the afflicted, his raising the dead, his vulnerability, his cross, resurrection, and universal restoration. Acts 3:21. Preaching and worship that embodies and lifts up the

hard parts the life giving parts is neither fundamentalist nor an exercise in nostalgia It is rather evidence of confidence in the triune God who makes the unknowable known The Good Shepherd promised My sheep hear my voice I know them and they follow me John 10 27 And when they do they will

Dark Splendor Robert P. Vande Kappelle, 2015-06-29 Mistakes disappointments suffering and heartbreak can prevent us from growing physically emotionally even spiritually or they can propel us to a new way of life Building on the contributions of therapists holistic healers and spiritual mentors such as Richard Rohr James Hollis Elizabeth Lesser Bill Plotkin Ken Wilber and Thich Nhat Hanh *Dark Splendor* takes us on a journey into depth spirituality exploring the two halves of life noting how the perspectives and experiences of the first half of life either leave us frozen emotionally and spiritually or serve as stepping stones to the vibrant maturity called the second half of life This further journey is not chronological nor does one magically stumble upon it at midlife or in times of crisis though these often serve as catalysts The second journey is largely unknown today even by people we consider deeply religious since most individuals and institutions remain stymied in the preoccupations of the first half of life establishing identity creating boundary markers and seeking security The first half of life task while essential is not the full journey Furthermore one cannot walk the second journey with first journey tools One needs a new toolkit *Dark Splendor* provides the transformational tools that help transport us to the mystery and beauty of the second half of life The world is more magical less predictable more autonomous less controllable more varied less simple more infinite less knowable more wonderfully troubling than we could have imagined being able to tolerate when we were young James Hollis God comes to you disguised as your life Paula D Arcy
