Morgan, Sr. Athanasius Munroe, O.P., 2022-12-16 Echoing the Mystery is a catechetical resource specializing in sharing the doctrines of the Faith After the culmination of many years of catechetical teaching and engaging all ages to share these truths the Dominican Sisters of Mary Mother of the Eucharist joyfully present this beautiful master resource Echoing the Mystery In a shared desire to compile and supply an all encompassing source for echoing the doctrines of the Faith the Sisters have accomplished their long held desire to transmit the catechetical teaching approach from reputable catechist Barbara Morgan finally presenting in one place her decades long teaching method of the keys to the doctrines Were not our hearts burning within us while he spoke to us on the way and opened the scriptures to us Luke 24 32 Echoing the Mystery Unlocking the Deposit of Faith in Catechesis aims to open the mysteries God has revealed to us Through His Son Jesus Christ He has communicated to us His loving plan of salvation In order for these Truths to be echoed down they must first be studied and contemplated This publication makes them accessible to anyone desiring to evangelize and catechize From Jesus to the Internet Peter Horsfield, 2015-06-15 From Jesus to the Internet examines Christianity as a mediated phenomenon paying particular attention to how various forms of media have influenced and developed the Christian tradition over the centuries It is the first systematic survey of this topic and the author provides those studying or interested in the intersection of religion and media with a lively and engaging chronological narrative With insights into some of Christianity's most hotly debated contemporary issues this book provides a much needed historical basis for this interdisciplinary field **Canadiana**, 1985 The Power of Resurrection Patrick G. Stefan, 2019-12-16 How did the early Christian movement grow so quickly and did the idea of resurrection have anything to do with its growth Patrick G Stefan offers an answer to both of these questions by searching at the intersection of the investigation of Christian origins and Continental philosophy He documents the rise of the disciplined subject with the emergence of Christianity and argues that the early success of the Christian movement was due in part to the activation and deployment of what Michel Foucault calls disciplinary mechanisms of power This activation took place through the instantiation of the idea of resurrection in early Christian material and textual

existence The activation of these mechanisms created a sub class of disciplined individuals with the ability to envision life outside of the sovereign power of Caesar By building on Foucault s methodology of examining how material conditions shape and create individual subjects this book takes as its point of departure Foucault s unexplored observation that Christianity proposed and spread new power relations throughout the ancient world From this departure point Stefan seeks to demonstrate that these new power relations were connected to an idea resurrection and formed the early history of disciplinary power

James Joyce Arnold Goldman,2015-12-22 This volume first published in 1968 draws attention to the special relationship between Joyce s life and his writing The passages are presented in chronological order with a commentary that pays particular attention to the bibliographical aspects of Joyce s art Goldman focuses on three texts A Portrait of the Artist as a Young Man Ulysses and Finnegans Wake James Joyce will be of interest to students of literature

The Gospel of John and Jewish-Christian Relations Adele Reinhartz,2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to hoi ioudaioi a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world

For God and Globe Michael G. Thompson,2015-11-06 For God and Globe recovers the history of an important yet largely forgotten intellectual movement in interwar America Michael G Thompson explores the way radical left and ecumenical Protestant internationalists articulated new understandings of the ethics of international relations between the 1920s and the 1940s Missionary leaders such as Sherwood Eddy and journalists such as Kirby Page as well as realist theologians including Reinhold Niebuhr developed new kinds of religious enterprises devoted to producing knowledge on
