General Studies & General Hindi YCT Expert Team , 2023 24 RO ARO UPPSC UKPSC General Studies General Hindi Solved Papers **Some New World** Peter Harrison,2024-04-18 In his famous argument against miracles David Hume gets to the heart of the modern problem of supernatural belief We are apt says Hume to imagine ourselves transported into some new world where the whole form of nature is disjointed and every element performs its operation in a different manner from what it does at present This encapsulates observes Peter Harrison the disjuncture between contemporary Western culture and medieval societies In the Middle Ages people saw the hand of God at work everywhere Indeed many suppose that belief in the supernatural is likewise fundamental nowadays to religious commitment But dichotomising between naturalism and supernaturalism is actually a relatively recent phenomenon just as the notion of belief emerged historically late In this masterful contribution to intellectual history the author overturns crucial misconceptions myths about secular modernity challenging common misunderstandings of the past even as he reinvigorates religious thinking in the present

Climate Change Resilience in Rural Southern Africa Mark Matsa,Lazarus Chapungu,Godwell Nhamo,2024-12-17 In rural Southern Africa the livelihoods of millions are intricately linked to the land water and ecosystems that are increasingly under threat from climate change This intensifying threat has exacerbated pre existing vulnerabilities rendering the need for resilience building more critical than ever Emerging scholarship on climate change strategies suggest that building resilience in human and environmental systems is the ideal strategy for combating the climate change induced catastrophes Rural Southern Africa has witnessed both isolated and coordinated efforts by various stakeholders to bolster climate resilience yielding varying degrees of success

This book offers a comprehensive examination of the rural Southern African landscape probing the intricate dynamics prospects and challenges associated with building climate resilience It examines how traditional knowledge innovative practices including Artificial Intelligence and sustainable development strategies are converging to create resilient systems The book further highlights the critical role of local communities in addressing climate challenges and offers actionable insights for a more resilient future It emerged that some interventions have managed to build resilience of at risk households communities and systems while others have faced significant challenges In general climate resilience building remains complex and lagging due to increased vulnerabilities induced by global disease emergencies such as COVID 19 increased poverty due to global recessions poor governance corruption and several other internal and external factors Therefore the need to increase cooperation amongst Southern African states to pursue common development goals cannot be overemphasized Rich with case studies expert analyses and systematic reviews this book is an essential read for policymakers researchers and those invested in the future of rural Southern Africa

September 2019 Monthly Current Affairs with MCQs for Competitive Exams Disha Experts,2019-09-01 2024-25 UP/UK RO/ARO (Pre and Main) General Studies & General Hindi YCT Expert Team, 2024 25 UP UK RO ARO Pre and Main General Studies General Hindi 414 795 E This book contains many previous solved papers of Preliminary and Main Examination with detail explanation The Global Evolution of Clinical Legal Education Richard J. Wilson,2018 Clinical legal education has revolutionized legal education from its deepest origins in the nineteenth century to its now global reach UN Peacekeeping in Africa Kwame Akonor,2016-11-17 This timely volume explores the dark side of United Nations UN Peacekeeping in Africa when rather than help establish a rule of law in the host country they become perpetrators of crime The work of the UN peacekeepers is generally comprised of police and military personnel from countries who contribute voluntarily to assist war torn countries create conditions for lasting peace Overall these peacekeeping efforts are perceived positively with volunteers giving their time and risking their lives to bring normalcy and peace to civilians in countries with conflict In fact there are cases where UN Peacekeepers are sometimes the victims of violent crimes and need security and protection themselves Although instances of abuse are not widespread and are certainly not isolated to Africa this work focuses on Africa because there is a high concentration of UN Peacekeepers there and lessons learned can be applied to other regions The instances of abuse cover serious crimes including sexual abuse and exploitation child and arms trafficking and corruption all of some of the most vulnerable populations in the world at the time Although these instances are not extensive they remain a fundamental problem because there is no existing mechanism for prosecution in the international area it is only the troops home country not the UN who has the right to exercise criminal jurisdiction The also undermine the good work that UN Peacekeepers are doing all over the world This work is concerned with highlighting why these instances occur and why specific forms of abuse are more prevalent than others It also discusses how to prevent abuse and violations from happening in the first place and

creating a culture of change and accountability Finally taking into account cultural and legal systems from troops home countries the author considers the ways that local rules can be aligned with international standards In will be of interest to researchers in Criminology and Criminal Justice International Relations Sociology and Demography Public Health Comparative Law and other related disciplines
