An Architect's Guide to Surviving Information Overload

Patrick C. Mays, AIA and B. J. Novitski

Administration Architect Construction Guide Information Overload Surviving

RJ Alexander

Administration Architect Construction Guide Information Overload Surviving:

Managing the Building Design Process Gavin Tunstall, 2006-08-14 Managing the Building Design Process explains the designer's role in the creation of new buildings from the development of the plan through to completion. One key case study is used throughout the book so that the reader can clearly follow the process leading to the creation of a new building. This new edition expands on the first edition including sections on CAD and sustainability incorporating updates to legislation and adding new illustrations as well as discussion points and useful references at the end of every chapter. Gavin Tunstall is an architect and a lecturer in the School of Architecture Design and the Built Environment at Nottingham Trent University UK.

The Architect's Handbook of Professional Practice Joseph A. Demkin, The American Institute of Architects, 2001 CD ROM contains Samples of all AIA contract documents. Construction Administration Patrick C. Mays, B. J. Novitski, 1997 A flexible proven method for organizing construction administration paperwork for architects and those who work with them. Construction Administration provides a simple fully integrated system for organizing the complex paper trail that crosses the architect's desk during every construction project. Compatible with computerized or paper based administrative systems this time saving method enables you to improve record keeping during construction track the decision making process and monitor a project's progress efficiently and effectively. This self contained book and disk set comes ready to implement with the forms instructions and detailed cross referencing and indexing procedures you need to create an easily traceable record of the construction process. Covers all major construction administration document types meeting minutes requests for information proposal requests change orders submittal checklists field reports and more. Works in tandem with official American Institute of Architects AIA forms. Includes user friendly disk versions of all forms in the book. Contains extensive examples throughout that demonstrate the system in action. Adapts effortlessly to fit the requirements of any project type.

Construction Specifications Writing Harold J. Rosen, John R. Regener, Morton Dan Morris, 2005 Publisher Description
